The Owego-Apalachin Basketball Club exists to offer the children of the Owego-Apalachin Central School District the opportunity to play organized basketball at an instructional, recreational, and travel level through in-house and local leagues, and statewide through AAU Basketball. Furthermore, it seeks to promote the game of basketball, offer quality coaching and instruction and work directly towards the goals of the District's K-12 philosophy. Our primary focus will be on teaching and developing the fundamentals of basketball, improving individual and team skills along with a strong emphasis on values such as character development, teamwork, discipline, respect and sportsmanship.
