Tips for children riding the bus each day:

- Get to the bus stop at least five minutes before the bus is scheduled to arrive.
- When the bus approaches, stand at least 6 feet away from the curb and line up away from the street.
- Wait until the bus stops, the door opens, and the driver says that it's okay before stepping onto the bus.
- If you have to cross the street in front of the bus, walk on the sidewalk or along the side of the road to a point at least 10 feet ahead of the bus before you cross. Be sure that the bus driver can see you, and you can see the bus driver.
- Use the handrails to avoid falls. When exiting the bus, be careful that clothing or backpacks don't get caught in the handrails or doors.
- Never walk behind the bus.
- If you drop something near the bus, tell the bus driver. Never try to pick it up because the driver may not be able to see you.

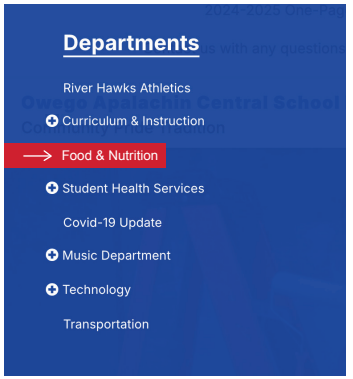

Everybody has a responsibility Bus Driver:

We are excited to announce that OACSD will once again offer free meals through the National School Lunch and School Breakfast Programs, Community Eligibility Provision (CEP), for the 2026-2027 school year. This means that all OA students enrolled will receive a nutritious breakfast and lunch at no cost to your household each school day. No further action is required from you to participate in these meal programs. All children are eligible to enjoy these benefits. However, we kindly ask parents to complete the income application. Your participation in this process helps our district qualify for additional funding that supports various educational initiatives and resources. CEP Application - https://aptg.co/Cs-mkV.

Students will still need to pay for snack items, ice cream, or extra food, as just the main meals are covered through the CEP program. Funds can be added to the EZSchoolPay Account: https://5il.co/1fki0. Cash or check can also be used with the school cafeteria staff to add funds without the online convenience fee.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records.

These rights are:

1. The right to inspect and review the student's education records within 45 days after the day OACSD receives a request for access. Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask OACSD to amend their child's or their education record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. The right to file a complaint with the U.S. Department of Education concerning alleged failures by OACSD to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FERPA NOTICE TO PARENTS

The Family Educational Rights and Privacy Act (FERPA), a Federal Law, requires that OACSD, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, OACSD may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow OACSD to include this type of information from your child's education records in certain school publications.

Examples include:
- A playbill showing your student's role in a drama production;
- Photos on our Social Media accounts and website;
- The annual yearbook;
- Honor Roll and other recognition lists;
- Graduation programs;
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory Information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, the New York State Education Law § 2-1 and two federal laws require school Districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with student names, addresses and telephone listings — unless parents have advised the school District that they do not want their student's information disclosed without their prior written consent.

If you do not want OACSD to disclose some or all directory information from your child's education records without your prior written consent, you must notify the District in writing within 30 days after the publication of this notice.

OACSD has designated the following information as directory information.

1. Student's name
2. Address
3. Telephone listing
4. Electronic mail address
5. Student's image, and or video
6. Date and place of birth
7. Major field of study
8. Dates of attendance
9. Grade level
10. Participation in officially recognized activities and sports
11. Weight and height of members of athletic teams
12. Degrees, honors, and awards received
13. The most recent educational agency or institution attended

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10)
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(11))

Regarding Potential Use of Pesticides:

As a reminder, the Owego Apalachin Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- A school remains unoccupied for a continuous 72- hours following an application; * Anti-microbial products;

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48- hour prior notification list.

Regarding Fire Inspections:

Notice is hereby given that the annual inspection for 2026 of the Owego Apalachin Central School District buildings owned or leased for fire hazards which might endanger the lives of students, teachers, employees therein, has been completed and the report thereof is available at the Maintenance Office for inspection by all interested persons.
