The state law requires that all children entering Kansas schools for the first time shall provide the superintendent or his designated representative with proof of immunization of certain diseases according to law.

Students who fail to provide said documentation as required by law may be suspended from school by the superintendent or his designated representative until proof of immunization is given to the appropriate administrator. Notice shall be given to the parents/guardians as prescribed by law K.S.A. 72-5209.

The appropriate principal shall forward evidence of compliance with health tests and the inoculation to other schools when requested by parents.

Kansas School Immunization Law and School Board Policy requires all students in grades PK-12 to have completed or be in the process of completing state required immunizations before attending school. Pupils who have not completed the required inoculations may enroll or remain enrolled while completing the required inoculations if a physician or local health department certifies that the pupil has received the most recent appropriate inoculations in all required series. On or before May 15th of each school year, the school board via the school nurse shall notify the parents or guardians of all known pupils who are enrolled or who will be enrolling in the school of the provisions of this act and any policy regarding the implementation of the provisions of this act adopted by the school board. The law requires all students in grades PK-12 to be fully immunized against tetanus, diphtheria, pertussis; measles, mumps, rubella; chicken pox; poliomyelitis; Hepatitis A; Hepatitis B; Hib (haemophilus influenza type B) and Pevnar (pneumococcal conjugate.)

NEW IMMUNIZATIONS REQUIREMENTS for the 2025-2026 School year:

- **For grades K-12: two doses of Varicella (chickenpox) vaccine are now required, unless history of Varicella disease is documented by a physician and on file in child's health record. WITHOUT A PHYSICIAN SIGNATURE, VACCINE IS REQUIRED EVEN IF YOU BELIEVE CHILD HAS HAD CHICKENPOX.**
- **For grades PreK-12: three doses of Hepatitis B vaccine and two doses of Hepatitis A vaccine.**
- **Meningitis vaccine by 7th grade and a booster by 11th grade**
- **These immunizations are required before school starts in August.**
