Week of April 24th, 2026

Message from the Principal

From Wednesday, March 18-Thursday, April 16, Windsor Public Schools will be assessing school climate using a brief 29-31 question multiple choice online survey that will be delivered via email or text. This year's survey is designed to assess perceptions of the school environment including safety, relationships, support for learning, and communications within each school.

For each school in our district that one of your children attends, please complete a separate survey so that we receive accurate feedback regarding the experience of children and families within each of our schools. For example, if you have three children who attend Oliver Ellsworth, John. F. Kennedy, and Sage Park Middle, you would complete three surveys reflecting on the experiences of each of your children in those schools.

Each survey should take only a few minutes to complete. Your feedback is important to us. **All responses are anonymous**. There are no names attached to the survey, and all data will be reported in terms of the way groups of people responded to the items.

4th Grade Update

This week in Humanities, students took their ELA SBA test- we are so proud of their commitment to this test!! In Humanities, students are also reading our final shared reading text, *Starry River of the Sky,* a narrative that weaves four stories together and features reinterpretations of Chinese myths and folktales. Our final module of the year focuses on helping students to think deeply about how self-reflection influences personal growth and about the ways that our decisions and actions can have long-term and lasting impact on ourselves and those around us.

This week in STEM, 4th graders have been hard at work strengthening their math skills! They are currently learning how to convert between different units of measurement, helping them better understand real-world applications of math. Students are also tackling multi-step word problems that require using multiple operations, encouraging them to think critically and carefully plan their approach. In addition to building their math strategies, we are focusing on developing stamina and perseverance. Students are learning to stick with challenging problems, try different strategies, and build confidence in their ability to solve complex tasks. We are proud of their effort and determination as they continue to grow as resilient learners!

Dates To Remember: *Important dates for parents/guardians*

May 4th Strings at WHS 6:30-7:30

May 5th Early Release -Teacher PD

SPRING CLEAN UP

FRIDAY,
APRIL 24, 2026

7:30 AM

Weather permitting, we will be outside

PLEASE SIGN UP HERE

WINDSOR PUBLIC SCHOOLS

John F. Kennedy School
530 Park Avenue • Windsor, CT 06095

TEL | 860-687-2060 FAX | 860-687-2069 WWW.WINDSORCT.ORG

We strive to make your visit to our schools both pleasant and productive. Family engagement is essential to student success, and we encourage you to connect with the staff who support your child. Whether you are observing a classroom or volunteering through prior arrangements with the Family Resource Center (FRC) or a teacher, we appreciate your partnership.

To ensure student safety, protect instructional time, and accommodate all families, please follow these guidelines:

Scheduling Your Visit

- Volunteering must be scheduled at least 24 hours in advance through your child's teacher or the FRC.
- Classroom observations must be scheduled with administration
    - Observations are limited to 20 minutes to minimize disruption
    - Only one parent/guardian may observe at a time due to space limitations. Please arrange care for younger children; the FRC can assist if needed.

Arrival and Safety

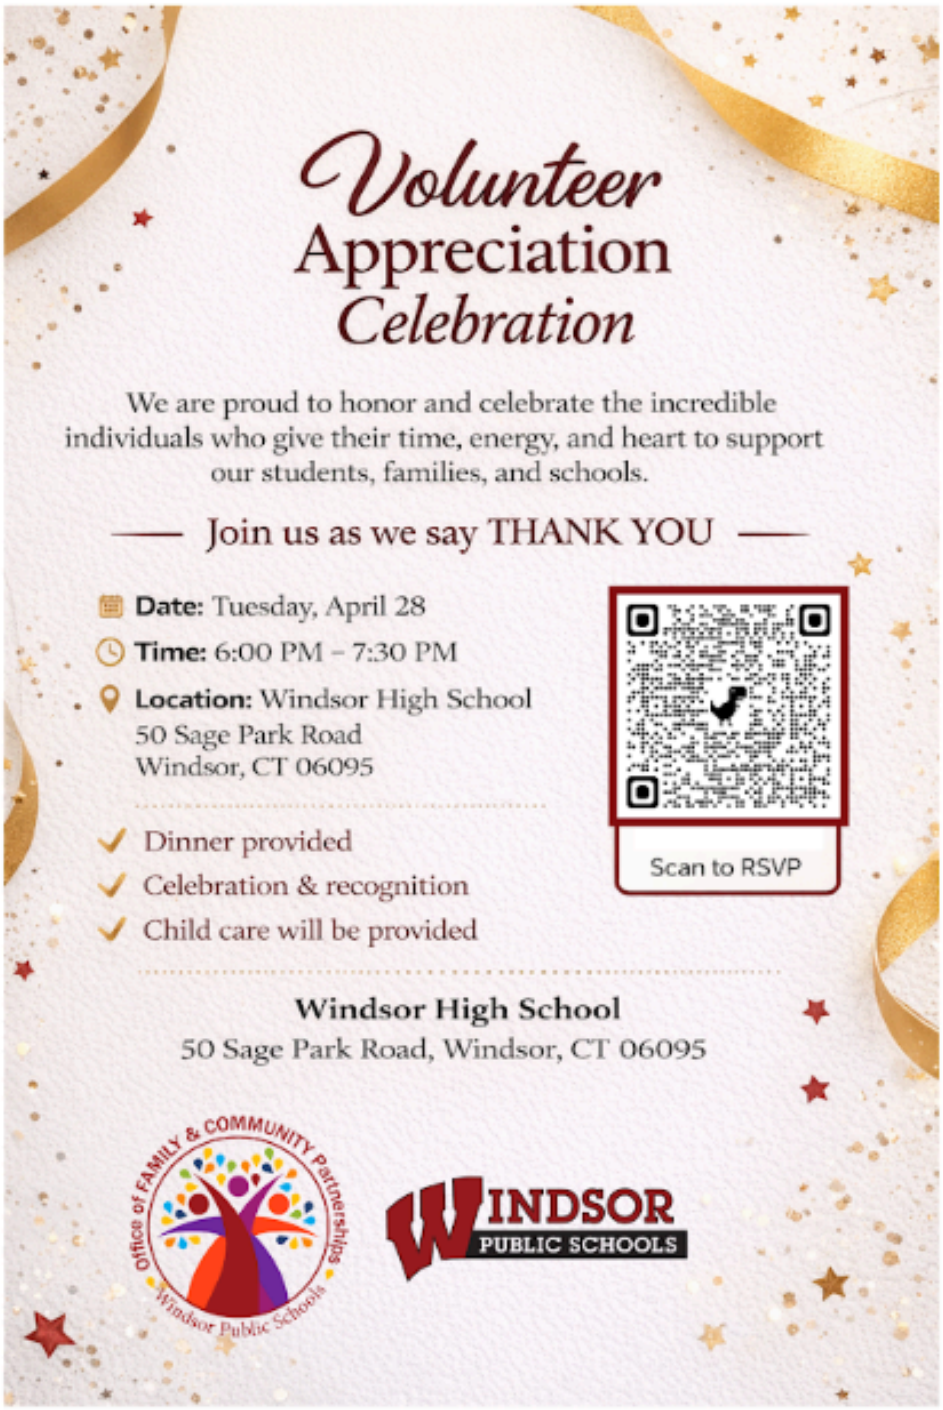

- All visitors must sign in and sign out at the front lobby with a valid ID, be processed through the Raptor System, and wear a visitor badge/sticker at all times.
- **Parents/guardians are expected to drop off their child outside, not inside. If students are brought after 8:45 the doors will be closed and they will need to be signed in at security and will be marked tardy.**
- Visitors will be escorted to and from their destination.

Classroom Expectations

- Recording (audio or video) is not permitted.
- Respect student confidentiality—do not discuss other students outside the classroom.
- For questions or feedback, please schedule a separate time with the teacher.

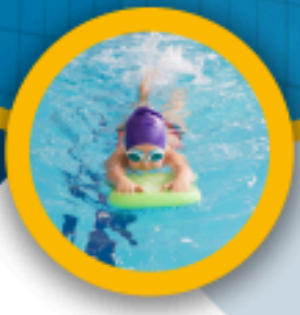

Please note that the principal may reschedule or decline visits if they would disrupt the learning environment.

Thank you for helping us maintain a safe and focused school environment. We look forward to partnering with you!

Volunteer
Appreciation
Celebration
We are proud to honor and celebrate the incredible individuals who give their time, energy, and heart to support our students, families, and schools.
Join us as we say THANK YOU
Date: Tuesday, April 28
Time: 6:00 PM – 7:30 PM
Location: Windsor High School

JFK School Store Needs You

The JFK school store allows students to “shop” and spend their hard earned Dojo points on fun toys, books, or games.

We are in need of parent volunteers to help out on Fridays when the school store is open.
No experience necessary!

Come have fun!

If you can help out
please sign up through the link below.

Parenting Adolescents Toward Healthier Ways (PATHWays)

School avoidance is a complex issue that involves the child who struggles with attendance, parents, and school systems.

The Anxiety Disorders Center is researching a treatment program that will focus on assisting parents in addressing the problem of school avoidance. This research will examine the use of a daily parent diary during treatment to track time in school, sleeping, using screens, and engaged in physical activity.

The PATHWays program aims to help parents:

- Understand how accommodations for anxiety may contribute to school avoidance.
- Learn ways to reduce accommodations.
- Create rules/structure around sleep, screen time, and activity.

Parents/guardians of students (ages 12-18, grades 6 -12) who are struggling with school attendance may be eligible for this research program.

If you know a family that would be interested in our program or would like more information about our program, please contact the Anxiety Disorders Center at (860) 545-7707.
