Dear Sage Park Families,

The countdown is officially on! I know it's hard to believe that we are **two weeks away** from the first day of school on **Tuesday, September 1, 2026**, and the energy across our district is extremely high.

Shout out to our amazing Administrative Assistants and Custodians for their hard work over the summer. Our staff have worked on revising curriculum, preparing classrooms, and creating a learning environment that is conducive for learning. We are definitely ready, and we truly cannot wait to see your students walk through our doors!

Please have a conversation with your child about the goal(s) they would like to accomplish this school year and the steps they are going to take to achieve their goal(s). Our goal is to minimize distractions, reduce negative adult interactions during the school day, and keep our focus where it belongs: on learning, building real connections, and celebrating student success.

In an effort to set our students up for a fun and productive year, I ask that you please take a few moments to review the following policies with your child:

- SPMS 4 C'S Matrix
- Message from Dr. Abdel Hady (District Cell Phone Policy)
- Personal Electronic Device Expectations
- SPMS Dress Code 26-27
- Application - Free & Reduced School Meals (Please return back to the school ASAP)
