SCHOOL-FAMILY COMPACT

(706) 989-3648 | PLAN REVISED FEB 4, 2026 | 2025-2026 SCHOOL YEAR

WHAT IS A SCHOOL-FAMILY COMPACT?

A School-Family Compact for Achievement is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all our students reach grade-level standards.

EFFECTIVE COMPACTS:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share specific strategies Families can use at home
- Explain how teachers and families will communicate about student progress
- Describe opportunities for families to volunteer, observe, and participate in the classroom

JOINTLY DEVELOPED

The families, students and staff of **CCEC** developed this School Family Compact for Achievement. Teachers suggested home learning strategies, families added ideas, and students told us what would help them learn. Opportunities are given each year to review the compact and make changes based on student needs. Families are welcome to contribute comments at any time.

FAMILIES ARE WELCOME TO CONTRIBUTE COMMENTS AT ANY TIME.

If you would like to volunteer, participate and/ or observe in the classroom, please contact:

CHATTAHOOCHEE COUNTY EDUCATION CENTER GOALS

By the end of the 2025-2026 school year, students at the Chattahoochee County Education Center will increase the number of students performing at grade level or higher in Reading and Math by a 3% increase on district.

COMMUNICATION ABOUT STUDENT LEARNING AND BEHAVIOR

CCEC is committed to frequent two-way communication with families about children's learning.

Some of the ways you can expect us to reach you are:

- Class Dojo for weekly classroom reviews
- Updates on the school website and current grades in PowerSchool
- Parent-teacher conferences
- Email: (teacher's initial of first name, last name @ chattco.org, ex. Jane Doe jdoe@chattco.org)
- Homework folders will go home everyday

ClassDojo

IN THE FIRST GRADE CLASSROOM AND AT HOME

The First Grade classroom will work with students and their families to support student's success in reading and math.

Some of our key connections with families will be:

- There will be spelling word activities sent home weekly.
- We will send home physical copies of homework or activities for students to complete.
- Teachers will periodically post pictures on **Class Dojo** from an activity in class to be sued as talking points for parents at home. Parents can ask students to explain what was happing in the picture.
- Students will start the school year learning Sight Words and transition into Fluency Passages. Spelling words and sight words will be tested weekly.
- Through Clever the **i-Ready app** can be accessed to complete pathways.

student SUCCESS

CCEC 1ST GRADE STUDENTS joined staff and parents to develop ideas about how they can succeed in school and reach for the stars.

Students thought of the following ideas to make connections between learning at home and school:

- ❒ Read books at home
- ❒ Practice math at home
- ❒ Read at home with an adult
- ❒ Ask for practice work for math
- ❒ Study spelling words
- ❒ Study sight words
- ❒ Use fingers to help me count
- ❒ Do activities and homework sent home to help me study at home

At **CCEC FAMILIES** joined the staff to develop ideas about how families can support students' success in reading. Families may have other ideas to add to this list.

- ❒ Keeping in touch with teachers about the struggles and strengths of my child.
- ❒ Making my student read independently.
- ❒ Reading with my child and asking questions.
- ❒ Helping my child with homework.

FAMILIES ARE WELCOME TO CONTRIBUTE COMMENTS AT ANY TIME.

If you would like to volunteer, participate and/or observe in the classroom, please contact.
