PLAN REVISED FEB 4, 2026

2025-2026 SCHOOL YEAR

WHAT IS A SCHOOL-FAMILY COMPACT?

A School-Family Compact for Achievement is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all our students reach grade-level standards.

EFFECTIVE COMPACTS:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share specific strategies Families can use at home
- Explain how teachers and families will communicate about student progress
- Describe opportunities for families to volunteer, observe, and participate in the classroom

JOINTLY DEVELOPED

The families, students and staff of CCEC developed this School Family Compact for Achievement. Teachers suggested home learning strategies, families added ideas, and students told us what would help them learn. Opportunities are given each year to review the compact and make changes based on student needs. Families are welcome to contribute comments at any time.

FAMILIES ARE WELCOME TO CONTRIBUTE COMMENTS AT ANY TIME.

If you would like to volunteer, participate and/ or observe in the classroom, please contact:

BUILDING PARTNERSHIPS

IN THE SECOND GRADE CLASSROOM AND AT HOME

We want to work with students and their families to support student's success in our classroom.

Some ways we plan on doing this will be:

- We will provide families with notifications of upcoming tests and provide study guides.
- Monthly updates on student AR word count and i-Ready lessons passed.
- Weekly homework folders.
- Monthly newsletters will be sent home.
- Teachers will periodically post pictures on **Class Dojo** from an activity in class to be used as talking points for parents at home. Parents can ask students to explain what was happening in the picture.
- There will be periodic updates given on important information and upcoming events.
- Clever is our one-stop shop for online resources. There you can find links for Google Classroom, PowerSchool, and many more helpful apps. If you need assistance navigating this platform, please contact Mrs. McGlaun, the Family Engagement Coordinator by email or phone.

COMMUNICATION ABOUT STUDENT LEARNING AND BEHAVIOR

CCEC is committed to frequent two-way communication with families about children's learning.

Some of the ways you can expect us to reach you are:

- Class Dojo for behavior messaging. This is a wonderful tool you will want to download on your phone as an app.
- Updates on the school website and current grades in PowerSchool
- Parent-teacher conferences
- Telephone Contact
- Email: (teacher's initial of first name, last name @chattco.org, ex. Jane Doe jdoe@chattco.org)

CCEC 2ND GRADE STUDENTS joined staff and parents to develop ideas about how they can succeed in school and reach for the stars.

Students thought of the following ideas to make connections between learning at home and school:

- ☐ Ask family to help me study
- ☐ Practice spelling words
- ☐ Practice math facts
- ☐ Complete i-Ready lessons

At **CCEC FAMILIES** joined the staff to develop ideas about how families can support students' success in reading. Families may have other ideas to add to this list.

- ☐ Encouraging my child to complete i-Ready lessons.
- ☐ Checking Class Dojo.
- ☐ Checking my child's grades on PowerSchool.
- ☐ Encouraging my child to read outside of school.

FAMILIES ARE WELCOME TO CONTRIBUTE COMMENTS AT ANY TIME.

If you would like to volunteer, participate and/or observe in the classroom, please contact.
