SUBSTANCE USE & ODOR RESPONSE PROCEDURES

To maintain a safe, healthy, and substance-free learning environment across all campus facilities, Chattahoochee County School District has the following procedures in place for **suspected use of alcohol, marijuana, and any other illegal or harmful controlled substances.**

If a visitor or parent comes on school grounds exhibiting a strong odor of these substances, the following progressive protocol will be enforced:

1st Occurrence: Reported to the Division of Family and Children Services (DFCS) and a School Resource Officer (SRO).

2nd Occurrence: Reported to DFCS and a School Resource Officer (SRO) will conduct a formal meeting with the individual.

3rd Occurrence: Reported to DFCS and officially banned from all school district premises.

*Immediate referral to level three will occur for any parent or campus visitor under the influence of alcohol, marijuana, and any other illegal or harmful controlled substances while on school grounds.

ACTIVE IMPAIRMENT PROTOCOL

If an individual appears to be actively impaired or poses an immediate threat at any time, a SRO will be contacted immediately to perform a safety assessment and manage campus security.
