Did You Know?

Arizona celebrated a birthday on February 14th?
Arizona is now 114 years old!

To celebrate Arizona's birthday in February, our K-6 students collaborated on a special art project in the library. Each student wrote something they love about our state on a small paper square, which we then arranged on the wall to create a giant mosaic of the Arizona flag. The students are incredibly proud of the final piece and have loved reading what their peers wrote!

Please stop by the Library to see this amazing art work!
