Huntington Local Schools
Online Learning Plan

Dear Parents and Guardians,

Huntington Local Schools is committed to providing continuous learning opportunities for our students, even when circumstances prevent traditional, in-person instruction. Under Ohio law, the use of "blizzard bags" has been eliminated and replaced with Online Learning Days. School districts are required to submit an approved plan for these days and may utilize them in place of traditional calamity or snow days. Due to the number of calamity days already used this school year, the next three days that school would otherwise be closed will be conducted as Online Learning Days.

What Are Online Learning Days?
Online Learning Days are used to make up for school closures under specific circumstances and allow for up to three instructional days to be completed remotely.

Allowable Circumstances for Online Learning Days include:

- Disease epidemics
- Hazardous weather conditions
- Law enforcement emergencies
- Inoperability of school buses or other essential equipment
- Damage to school buildings
- Utility failures that make school buildings unfit for use

Parent Notification
If an Online Learning Day is enacted, parents and guardians will be notified promptly through the district's messaging system, website, and social media platforms.

Student Instruction and Teacher Availability
Teachers will provide assignments and instructional materials via email and/or Google Classroom. Teachers will be available to communicate with students and parents via email during regular school hours and will maintain their normal work schedules.

Please note that teachers may not be immediately available outside of regular school hours. If students are unable to connect during the school day or have questions after school hours, families may leave a voicemail or send an email. Messages will be returned during the next school day.

School Contact Information
Parents and guardians may direct questions or concerns to the appropriate building:

High School: 740-663-2230
Middle School: 740-663-6079
Elementary School: 740-663-2191

Thank you for your continued support and flexibility as we work together to ensure uninterrupted learning for our students.

Sincerely,
Huntington Local Schools
