SECTION 1.0 – PROPOSER RESPONSES TO SCOPE OF WORK AND PRICING

1.1 Minimum Mandatory Requirements

All Bids will be reviewed for compliance with the minimum mandatory requirements. Bids deemed non-responsive will be eliminated from further consideration.

1. The Proposer must demonstrate experience in providing Playground Equipment Design and Installation by submitting a minimum of three (3) distinct client references. Each referenced engagement must be for services equivalent to or similar in size, scope and complexity to those requested by Huron Valley Schools and must have been within the past five (5) years. Please enter your references in Section **2.2 References**.

2. Provide pricing to Huron Valley Schools/CoPro+ cooperative members on a wide range of playground equipment made of plastic, coated steel, or a combination thereof. Proposers must provide pricing in **Attachment A – Catalog Pricing Information.**

3. Please include with your proposal a detailed timeline from the playground equipment order through delivery and installation.

4. If awarded, the proposer will be required to present all product information in electronic catalogs.

Proposer Response:
Please enter your responses in the "Proposer Response" text boxes provided. There is no requirement or limitation on the amount of words for your responses.

Acknowledged

1.2 Scope of Work

Huron Valley Schools (HVS), in partnership with the CoPro+ Cooperative Bid Program, is seeking a playground equipment provider, designer and installer who has the depth, breadth, and quality of resources necessary to provide, design, and install equipment in the categories below. Huron Valley Schools is also interested in introducing products that will offer Huron Valley Schools/CoPro+ cooperative members a wide range of solutions for playground equipment.

Objectives

The primary objective of this RFQu is to create a pool of qualified vendors who can provide, design and install playground equipment for Huron Valley Schools and CoPro+ cooperative members. Vendors will be selected through a competitive process based on the Evaluation Criteria in Section 3.8 of this RFQu.

Proposer Response: Please confirm your understanding by checking Yes or No.

☒ Yes	☐ No

A. Playground Offerings/List of Products

For playground equipment offerings, proposers must provide pricing that includes both design and installation costs. Proposers should include product specifications for the playground equipment that clearly identify the brand and model. Additionally, in the pricing section, proposers are required to indicate the list price and/or a percentage discount off the list price for each item. Please use Attachment A to submit the pricing for this section.

Line Items:
Playground Equipment Lines (List Name of Line and Types of Products Offered)
Additional Related Products, Accessories, and Services Offered by Supplier

1.2.A. Proposer Response: Please state whether you agree or explain exceptions.

Agreed - KOMPAN offers design services at no cost to HVS and CoPro+ cooperative members.

B. Permits

All permits required for any project will be issued by the vendor or coordinated with the vendor and contractor selected by Huron Valley Schools and other entities. The vendor will cover the cost of permits unless a different arrangement is negotiated. This includes permits, testing, and inspections.

- The vendor is responsible for obtaining and paying for the necessary permits to complete the project.
- The vendor must provide copies of all inspection certificates, acceptance certificates, and operating permits as required by governing authorities to ensure normal and unrestricted use of the playground.
- Vendor shall ensure surfacing meets ASTM F1292 impact attenuation standards and shall provide documentation verifying compliance at installation. The vendor is responsible for removing all materials and debris from the site.
- If the equipment layout is amended by the vendor, it must comply with the State of Michigan code for access and egress.
- The selected vendor shall submit a construction schedule within 30 days of being awarded the contract.
- The vendor must submit verification of property insurance, including coverage for lost, stolen, or damaged materials, until the installation is completed.

The vendor will provide all equipment, workmanship, and labor requested by Huron Valley Schools and other entities. All equipment and installation services shall be subject to the warranty requirements outlined in Section 1.4.2. The vendor must be committed to ensuring that all aspects of any project meet or exceed all code requirements, regulations, and certifications.

1.2.B. Proposer Response: Please state whether you agree or explain exceptions.

Agreed

C. <u>Certifications</u>

All playground equipment must meet or exceed American Society for Testing and Materials (ASTM) Standards and Consumer Product Safety Commission (CPSC) Standards. Manufacturer equipment must be International Play Equipment Manufacturers Association (IPEMA) certified, and the installer must have staff certified as a Certified Playground Safety Inspector (CPSI).

1.2.C. Proposer Response: Please state whether you agree or explain exceptions.

Agree

1.3 Product Specifications

1.3.1 Reservation of Rights

Huron Valley Schools will evaluate the merits of all bids submitted and reserves the right, in its sole and absolute discretion, to accept or reject, in whole or in part, any or all bids or portions of bids with or without cause. Huron Valley Schools further reserves the right to waive any irregularity or informality in the RFQu process or any bid, and the right to award to one or multiple vendors. Huron Valley Schools reserves the right to add or delete services from the bid, extend agreements, or change vendors, in order to best serve the eligible agencies. These changes will follow approved bidding laws. Huron Valley Schools may use the product or service cost, or the sum of groups of products and/or services, may group similar products, and/or total cost of ownership, to evaluate prices and award bids. Huron Valley Schools reserves the right to request additional information from any or all Proposers. Huron Valley Schools also reserves the right to select one or more vendors to award a Contract to under this RFQu. In the event a bid is accepted by Huron Valley Schools and the vendor asserts exceptions, special considerations or conditions after acceptance, Huron Valley Schools, in its sole and absolute discretion, reserves the right to reject the bid and award other Proposer(s).

1.3.1 Proposer Response: Please confirm your understanding by checking Yes or No.

☑ Yes	☐ No

1.4 Service Specifications

All services furnished must be in conformity with the participating agency requirements and specifications and will be subject to acceptance by the individual customers at delivery. The right is reserved to reject the service at the risk and expense of the vendor.

1.4 Proposer Response: Please confirm your understanding by checking Yes or No.

☑ Yes	☐ No

1.4.1 Contractor Code of Conduct

The purpose of the Huron Valley Schools and its employees is to provide a safe, positive learning environment for the students of the District. In providing that environment it is mandatory that all employees, visitors, and Contractors follow certain levels of conduct, dress, and demeanor. This Code of Conduct outlines the expectations of the Huron Valley Schools for persons both contemplating performing work and performing work for Huron Valley Schools in the capacity of a Contractor or subcontractor. These rules will become part of the mandatory working conditions of the Contract and failure to comply by any Contractor, subcontractor, management, employee, or contracted consultant may result in the cancellation of the Contract. In general, it is expected that everyone entering a Huron Valley Schools facility, whether a school, support facility, or the surrounding grounds, must dress, act, and talk in a manner that is conducive to the education process of children while assuring their overall safety and security. The following rules have been established to assure that this is done:

Every Contractor employee that enters or leaves the building must sign in and out at either the school office or the building engineer's office as designated by the school administrator. This sign-in sheet must record the name, time in and out, the firm, and the signature of the individual.

All Contractors shall be furnished by their company a badge or identification that is to be worn while in the building. Such identification shall clearly indicate the individual's name and the name of the firm they are working for.

Prior to the beginning of a job, the Contractor shall furnish the building engineer with a list of individuals expected to be on the job, contact persons with phone numbers, and a schedule of the activities to take place.

The Contractor shall provide the building engineer with a scope of work and check with him prior to drilling or penetrating any walls, floors, or ceilings.

Each person working in a school building or on school property shall comply with the following:

No drinking or possession of liquor or alcoholic beverages and or possession of any kind of illicit drugs or narcotics.

No use of District facilities or equipment including telephone, computers, internet access, fax, kitchen, maintenance, or office equipment.

No smoking or use of any tobacco products anywhere within the building at any time nor outside the school on District property during normal school hours (This is a law and punishable as a civil infraction by local authorities).

A reasonable standard of dress must be followed. Within the educational facilities where students and parents are or can be present, this is to mean clothing or attire must be suitable for

the work and must not bear images or writing depicting anything to be construed as obscene in nature or promoting or portraying alcoholic beverages or use, drugs, narcotics, tobacco, or establishments that serve or promote the use of these substances.

There shall be no use of profanity or obscene language or gestures. Language, gestures, or other actions that depict sexual or ethnic harassment or intimidation will not be permitted.

The Contractor is responsible for a clean and safe workplace. To that end the following will be adhered to:

All work areas, walkways, and stairs must be kept clear of debris and loosely scattered materials.

Material storage is to be in an area designated by the Building Engineer.

All work areas are to be cleaned by the Contractor prior to leaving. Building staff will not be responsible for cleaning work areas.

All trash, debris, and material must be removed from the worksite each day and disposed of off-site. District dumpsters and trash containers are not to be used by Contractors for disposal.

All Contractor tools and equipment must be kept in good working order, with guards and safety devices in place and working. Defective tools must be taken out of service. District tools and equipment will not be loaned to Contractors.

Contractors are to provide and use required protective safety equipment and comply with all local, state, and federal safety laws and regulations.

Contractors are responsible for the reporting of accidents both to the District and their management and to obtain any emergency treatment that may be required.

Upon leaving a jobsite all doors and windows must be locked, secured, or left as they were found prior to beginning the work.

Contractors are to provide their own site safety plan for areas that they are working in.

Contractors are reminded that there may be asbestos insulation in our buildings. They are not to disturb any insulation or enter any areas that contain asbestos containing building materials. If they have any questions, contact the building engineer for direction.

Contractor is not to disable or interfere with any fire or burglary system equipment or telephone lines servicing such equipment. If equipment needs to be removed, relocated, or temporarily disabled, the Contractor needs to coordinate this with the building engineer.

The District will not tolerate acts of theft, vandalism, fighting, or abuse of the facilities or activities that threaten the security and safety of the school environment and its students, staff, and employees.

In summary, good judgment must be used to protect the learning environment. **Failure to comply with the above or to exhibit conduct which is deemed not in the best interest of the Huron Valley Schools will be grounds for immediate removal from the building and the project.**

1.4.1 Proposer Response: Please confirm your understanding by checking Yes or No.

☑ Yes ☐ No

1.4.2 Warranty Requirements

The awarded Vendor shall provide a comprehensive warranty covering playground equipment, surfacing, and installation services provided under this RFQu.

A. Manufacturer Warranty

All playground equipment provided under this Contract shall include the manufacturer's standard warranty. The Vendor shall pass through all manufacturer warranties to the participating entity without limitation. Warranty documentation shall be provided at project closeout.

Manufacturer warranties shall, at a minimum, include:

- Structural components: Manufacturer's standard structural warranty
- Moving parts: Manufacturer's standard warranty
- Plastic components: Manufacturer's standard warranty
- Coatings and finishes: Manufacturer's standard warranty against defects, peeling, or corrosion

B. Workmanship Warranty

The Vendor shall provide a minimum one (1) year workmanship warranty from the date of final acceptance covering installation defects, assembly errors, anchoring, surfacing installation, and related labor.

The Vendor shall, at no cost to the participating entity, correct defects in workmanship within thirty (30) calendar days of written notice, unless safety concerns require immediate action.

C. Warranty Service Response

Vendor shall acknowledge warranty service requests within five (5) business days and provide a remediation plan within ten (10) business days.

1.4.2. Proposer Response: Please state whether you agree or explain exceptions.

Agree

1.5 Service Capabilities

1.5.1 Communication Plan/Contract Management

Proposers must identify their company standards of communication as they relate to Contract performance, issue management, and change management. An issue is an identified event that, if not addressed, may affect schedule, scope, service, delivery, quality, or budget. A change is identified as a change in corporate leadership, structure, merger, or acquisition.

1.5.1 Proposer Response: Please explain your communication plan/Contract management.

Contract agreements are effectively handed off to our Finance Department for reporting and renewals. This particular cooperative program will be captured in our system to ensure accuracy from quoting to billing.

1.5.2 Primary Account Representative

Proposers must identify by name and location the primary account representatives and key contacts who will be responsible for the performance of a resulting Contract, as well as contact persons for reports and bid documents. Include names, titles, address, phone number, and email addresses.

1.5.2 Proposer Response:

Name	Responsibilities	Address, Phone#, Email
John Marshall, Regional Manager	Primary Account Rep	609-941-7388, johmar@kompan.com
Eric Lewis, Treasurer	Contract Signee	800-426-9788, erilew@kompan.com
Maribel Burgos-Pena, Controller	Contract Performance	512-240-9624, marbur@kompan.com
Matt Miller	Bid Manager	630-779-7009, matmil@kompan.com

US Headquarters Address: 605 W Howard Ln, Ste 101, Austin TX 78753

1.6 Customer Service

It is preferred that the Vendor have an accessible customer service department with an individual specifically assigned to Huron Valley Schools. Customer inquiries should be responded to within 48 hours or two (2) business days unless it is an emergency issue. Describe your company's Customer Service Department (hours of operation, number and location of service centers, regular and emergency response times, etc.)

1.6 Proposer Response:

Our standard operating hours are Monday through Friday, from 9:00 a.m. to 4:00 p.m. (CST). In accordance with our internal Service Level Agreement (SLA), our goal is to provide an initial response or status update within 24 hours of receiving a request. For after-hours inquiries submitted via voicemail or email, customers can expect acknowledgment and follow-up on the next business day. Dedicated hotline: (800) 426-9788 / Email: USCustomerCare@Kompan.com

1.7 Purchase Orders

Requests for quotes will be initiated by participating entities as specific needs arise. Participating entities will issue individual detailed specifications to the pre-qualified vendor pool along with specific response information required, deliverables, and any special terms and conditions. The vendors will respond directly to the requesting agency within the timeframe specified in the request for quote. The participating entity will evaluate the responses and determine the vendor that will be awarded a purchase order (PO). Resulting orders are to be delivered and billed directly to these institutions.

1.7 Proposer Response: Please confirm your understanding by checking Yes or No.

☑ Yes ☐ No

1.8 Delivery and Acceptance

The Proposer will be required to quote prices for all known costs for the requested products and services. Proposer should address the following items and costs in their proposal and other item/costs that they are aware of that may not have been requested in this bid.

- What is your ordering procedure and/or process?

1.8 Proposer Response: Please explain your service ordering processes and procedures.

KOMPAN has the unique advantage of managing the entire project from start to finish. We oversee from the preconstruction phase (design, quote and propose), to order processing, manufacturing, distribution and warehousing.

1.8.1 Reporting Capabilities

Contractors are required to submit quarterly reports and other reporting documents, as it pertains to this Contract.

1.8.1 Proposer Response: Please confirm your understanding by checking Yes or No.

☑ Yes ☐ No

1.8.2 Shipping/Service Errors

The receiving entities have been instructed to make immediate inspection on receipt of products/services and to process payment documents promptly. Payment documents, however, will be delayed if the products/services fail to comply with specification requirements.

1.8.2 Proposer Response: Please confirm your understanding by checking Yes or No.

☑ Yes ☐ No

1.8.3 Invoicing

Monthly invoices must be sent to HVS (and each participating school district) with the following information:

- Purchase Order Number
- Unique invoice number and date
- Description of goods or services being billed for
- Breakdown of charges
- Total amount due

1.8.3 Proposer Response: Please confirm your understanding by checking Yes or No.

☑ Yes ☐ No

If "NO" was answered on any items in Section 1 above, please explain:

1.9 Pricing Schedule

1. Price Guarantee

Price Stability Guarantee

For the entire term of the Agreement, the vendor must guarantee to provide the products and/or services at the proposed rates outlined in **Attachment A – Catalog Pricing**.

Promotional Pricing

Proposer may offer promotional pricing for awarded products and/or services during the Contract term. Upon promotion expiration, the pricing must return to previous item price and remain in compliance with the Price Stability Guarantee.

Free on Board (F.O.B) Delivered/Destination (Required)

Prices shall be quoted "F.O.B. Delivered/Destination" to each Customer with transportation charges prepaid on all orders of one (1) or more.

2. Bid Pricing

Bid pricing must reflect Net 30 payment terms.

3. Quantity Term

Vendor agrees to supply playground equipment design and installation services that each customer requires.

4. Rebates and Special Promotional Capabilities

All vendors are encouraged to make manufacturer promotions, rebates and special pricing opportunities available. Huron Valley Schools must approve promotional materials referring to the Huron Valley/CoPro+ Agreement prior to release. Huron Valley/ CoPro+ will post rebate and special pricing information on its web site.

Guidelines for Vendor /Contractor promotions for Huron Valley/ CoPro+ awarded items:

A. Submit all promotions for approval
B. Identify the savings amount
C. Identify the final price
D. Specify the time period in which a purchase must be made
E. Identify the link to a rebate form (preferred) or provide the form

5. Tax Excluded from Price

(a) Sales Tax: Huron Valley and local units of government are exempt from sales tax for direct purchases. The Proposer's prices must not include sales tax.

(b) Federal Excise Tax: Huron Valley and local units of government may be exempt from Federal Excise Tax, or the taxes may be reimbursable, if articles purchased under any resulting Contract are used for Huron Valley Schools exclusive use. Certificates showing exclusive use for the purposes of substantiating a tax-free, or tax-reimbursable sale will be sent upon request. If a sale

is tax exempt or tax reimbursable under the Internal Revenue Code, the Proposer's prices must not include the Federal Excise Tax.

1.9 Proposer Response: Please provide any additional comments regarding pricing, promotions and discounts being offered, and information on other cooperative Contracts held by respondent in the response box below.

KOMPAN will offer a 9% minimum discount on all playground equipment.

1.10 Price Assurance

The awarded vendor agrees to provide pricing to Huron Valley Schools and its participating entities ensuring the lowest pricing available. If awarded vendor has existing cooperative Contracts in place, Huron Valley Schools requests equal or better than pricing to be submitted.

All pricing submitted to Huron Valley Schools shall include 2.0% administrative/remittance fee to be payable to the Public Procurement Institute of Michigan (PPIM) by the awarded vendor. It is the awarded vendor's responsibility to keep all product listings and sales reports up to date and on file with Huron Valley Schools/PPIM.

1.10 Proposer Response: Please confirm your understanding by checking Yes or No.

☑ Yes	☐ No

SECTION 2.0 – PROPOSER INFORMATION AND ACCEPTANCE

1. The undersigned declares that the bid documents, including, without limitation, any RFQu Addenda, Appendices, Attachments, and Exhibits have been read.

2. The undersigned is authorized, offers, and agrees to furnish the articles and/or services specified in accordance with the Specifications, Terms & Conditions of the bid documents of RFQu # HV-988-020926 Playground Equipment Design and Installation.

3. The undersigned has reviewed the bid documents and fully understands the requirements in this bid and that each proposer who is awarded a Contract shall be, in fact, a prime Contractor, not a subcontractor, and agrees that its bid, if accepted by Huron Valley Schools, will be the basis for the Proposer to enter into a Contract with Huron Valley Schools in accordance with the intent of the bid documents.

4. The undersigned acknowledges receipt and acceptance of all addenda.

5. The undersigned agrees to the following terms, conditions, certifications, and requirements listed in **all Sections of this RFQu**:
   - Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion
   - Certification Regarding Nondiscrimination Under Federally and State Assisted Programs
   - Assurance Regarding Access to Records and Financial Statements
   - Iran Economic Sanctions Act
   - Familial Relationship Disclosure
   - Non-Collusion Affidavit
   - Price Assurance Certification

6. The selected Contractor(s) will be required to sign a Confidentiality Agreement to protect the data supplied by the schools and agencies. The selected Contractor(s) will adhere to all provisions of the Federal Family Educational Rights and Privacy Act (FERPA, 20 U.S.C. 123g), Michigan Education Code, and District policies regarding the protection and confidentiality of data. At all times, the Contractor(s) will consider all data collected in the course of their duties to be protected and confidential.

7. The undersigned acknowledges that the proposer will be in good standing in the State of Michigan, with all the necessary licenses, permits, certifications, approvals, and authorizations necessary to perform all obligations in connection with this RFQu and associated bid documents.

8. It is the responsibility of each proposer to be familiar with all of the specifications, terms and conditions and, if applicable, the site condition. By the submission of a bid, the proposer certifies that if awarded a Contract they will make no claim against Huron Valley Schools based upon ignorance of conditions or misunderstanding of the specifications.

9. Patent indemnity: Vendors who do business with the Huron Valley Schools shall hold Huron Valley Schools, its officers, agents, and employees, harmless from liability of a nature or kind, including cost and expenses, for infringement or use of any patent, copyright or other proprietary right, secret process, patented or unpatented invention, article or appliance furnished or used in connection with the Contract or purchase order.

10. Insurance certificates are not required at the time of submission. However, if awarded, the Contractor agrees to meet the minimum insurance requirements posted in the terms and conditions. This documentation must be provided to Huron Valley Schools, prior to award, and shall include an insurance certificate and additional insured certificate, naming Huron Valley Schools, which meets the minimum insurance requirements, as stated in the terms and conditions.

11. Should a proposer find discrepancies in, or omissions from the specifications, details, instructions and bid proposal form, or should the proposer be in doubt as to the meaning, the proposer should notify the bid contact who will post an Addendum. The bid contact shall not be responsible for any oral instructions.

Type text here

12. It is the Proposer's responsibility to note any detail or specification that, in his opinion, is not practical or functional.

13. Interpretations and supplemental instructions will be issued by Addenda. No Proposer shall rely on any interpretations or corrections given by any other method. Interpretations, corrections, or changes of the Bidding Documents made in any other manner will not be binding.

14. Copies of addenda will be made available for inspection wherever Bidding Documents are posted.

15. Addenda will not be issued later than three (3) days, (72 hrs.) prior to the date of receipt of bids (excluding weekends and holidays), except an addendum withdrawing the request for bids or postponing the bid date.

16. Failure of the Proposer to receive such addenda shall not relieve him from any obligation under his bid as submitted.

17. Failure to comply with instructions stated in this section may result in rejection of the bid.

18. After a Contract agreement has been executed, the Proposer shall not be allowed any sum over and above the price(s) specified in the Contract agreement.

19. Huron Valley Schools requires all Contractor owners, employees, agents, representatives, subcontractors, and/or other personnel who will be present on School grounds to submit to a criminal history background check. This background check will include a requirement for each Contractor owner, employee, agent, representative, subcontractor, and/or other personnel to be screened before he/she enters School grounds. A valid State ID card or Driver's License is

required to complete the background check. Once screened, the District will provide approved personnel with a Contractor Badge with a unique number.

Solicitation Terms and Conditions – HVS/ CoPro+ Master Agreement Template: [Business Office | (hvs.org)]

2.3 Assurances and Certifications

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion
The prospective Contractor certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded for from participating in this transaction by any Federal department of agency. Where the prospective Contractor is unable to certify to any of the statements in this certification, such prospective Contractor shall attach an explanation to this proposal.

Certification Regarding Nondiscrimination Under Federally and State Assisted Programs
The applicant herby agrees that it will comply with all federal and Michigan laws and regulations prohibiting discrimination and, in accordance therewith, no person, on the basis of race, color, religion, national origin or ancestry, age, sex, marital status or handicap, shall be discriminated against, excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in any program or activity for which it is responsible or for which it receives financial assistance from the U.S. Department of Education or the Michigan Department of Education (MDE).

Assurance Regarding Access to Records and Financial Statements
The applicant hereby assures that it will provide the pass-through entity, i.e., the Huron Valley Schools, and auditors with access to the records and financial statements as necessary for the pass-through entity to comply with 2 CFR, Part 200, Subpart F, and Compliance Supplement for the U.S. Department of Education.

Iran Economic Sanctions Act
The prospective Contractor certifies that its organization, by submission of this proposal, is not an Iran Linked Business. Please refer to the "Iran Economic Sanction Act" Public Act 517 for clarifications or questions. Huron Valley Schools as a Michigan public entity is required to follow Public Act 517 of 2012.

2.6 Prevailing Wage Compliance Certification

Under Michigan law, MCL 408.1101 et seq., Public Act 10 of 2023, Contractors and subcontractors are required to pay prevailing wage and benefit rates to employees on state funded construction projects. These rates are set by the Michigan Department of Labor and Economic Opportunity. This requirement does not change compliance with the Davis-Bacon Act, 40 USC 3141 et seq., for prevailing wage rates applying to federally funded or assisted projects. I, Eric Lewis (proposer), certify that KOMPAN, Inc. (company name) will follow all the requirements in relation to prevailing wages, if applicable.

Date: 4/30/2026

SECTION 3.0 – BIDDING, EVALUATION, SELECTION & AWARD PROCESS

This section contains key project dates and activities as well as instructions to proposers on how to prepare and submit their proposal:

TIMETABLE	
Release of RFQu:	March 27, 2026
Proposer Questions Due by (12:00 PM/ EST):	April 6, 2026
Answers to Questions Posted:	April 17, 2026
Proposals Due by (12:00 PM/ EST) *:	May 1, 2026
Master Agreement Award Date:	July 2026

***Responses received later than the specified deadline will be disqualified.**

3.1 Huron Valley Schools Responsibility

Huron Valley Schools is not responsible for representations made by any of its officers or employees prior to the execution of the Master Agreement unless such understanding or representation is included in the Master Agreement.

3.2 Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a proposal shall be sufficient cause for rejection of the proposal. The evaluation and determination in this area shall be at Huron Valley Schools Administrator/Purchasing agent designee's sole judgment and his/her judgment shall be final.

3.3 Proposers Questions

Proposers may submit written questions regarding this RFQu by e-mail to the address identified below. All questions must be received by 12:00 pm ET (Eastern Time) no later than Monday, April 6, 2026. All questions, without identifying the submitting company, will be compiled with the appropriate answers and issued as an addendum to the RFQu.

When submitting questions please specify the RFQu section and paragraph number and quote the language that prompted the question. This will ensure that the question can be quickly found in the RFQu. Huron Valley Schools reserves the right to group similar questions when providing answers. Questions should be addressed to:

Email address: clayton.thompson@ppim.org

Huron Valley Schools may modify the RFQu at any time during the bid process. All changes to the RFQu will be posted under the bid number and each posting officially revises the RFQu.

3.4 Preparation of the Proposal

Each Proposer must submit a complete proposal in response to this RFQu. The proposal must remain valid for at least 120 days from the due date for responses to this RFQu.

The Proposer will be responsible for completing and submitting the following sections of this RFQu:

Section 1.0 – Proposer Responses to Scope of Work and Pricing - The Proposer's proposal must include detailed responses to each of the outlined requirements in the text boxes provided. There is no requirement or limitation on the number of words for these responses.

Section 2.0 – Proposer Information and Acceptance – The Proposer will be required to complete the information in this section and provide required signatures and notarization.

3.5 Bid Submission Deadline

The Deadline for receipt of Bids is: Friday, May 1, 2026, 12:00 PM Eastern Time (the "Due Date"). Any bids received after this time will not be opened.

E-mail the bid, with the subject line as **Playground Equipment Design and Installation HV-988-020926** to:

bids@hvs.org

Below is the Microsoft Teams invite if you are interested in attending.

Topic: Bid Opening – Playground Equipment Design and Installation
Day/Time: May 1, 2026, 12:10 PM Eastern Time (US and Canada)

Join: https://teams.microsoft.com/meet/2455214464613?p=kVnOTLp3AqH4vSI4jC

Meeting ID:

3.6 Adherence to Minimum Mandatory Requirements (Pass/Fail)

Huron Valley Schools Administrator or designee shall review Section 2.0 Proposer Information and determine if the proposer meets the minimum mandatory requirements as outlined in this RFQu.

Failure of the proposer to comply with the minimum mandatory requirements may eliminate its proposal from any further consideration. Huron Valley Schools may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

3.7 Evaluation Process

All bids will be reviewed for compliance with the minimum mandatory requirements stated within this RFQu. Bids not meeting the minimum mandatory requirements will be deemed non-responsive and eliminated from further consideration. Huron Valley Schools may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

A. Huron Valley Schools may contact the proposer for clarification of the proposer's bid.
B. Huron Valley Schools may use other sources of information to perform the evaluation.
C. Huron Valley Schools may require the proposer to submit additional and/or supporting materials.

Responsive bids will be evaluated on the factors identified in this RFQu. The Proposer(s) whose bid is most advantageous, taking into consideration the evaluation factors, will be recommended for award approval.

After a prospective vendor(s) has been selected, Huron Valley Schools and the prospective vendor(s) will negotiate a Master Agreement. If a satisfactory Master Agreement cannot be negotiated, Huron Valley Schools may, at its sole discretion, begin negotiations with the next qualified proposer who submitted a proposal. It is anticipated that pre-qualified Contract awards will be made to multiple vendors.

A solicitation may be cancelled, or any or all bids or proposals may be rejected in whole or in part, when it is in the best interest of Huron Valley Schools in accordance with regulations.

3.8 Evaluation Criteria

1. Evaluation Factors for Statement of Work, including warranty terms, installation approach, and compliance standards (Section 1) – 45 points
2. Company Profile (Section 2.1) - 15 points
3. References (Section 2.2) – 30 points
4. Pricing (Section 1.10 and Attachment B) – 10 points
   Total points possible = 100 points

Proposals receiving **80** or more evaluation criteria points will be considered for award. Award(s) shall be made to the most responsible vendor(s) whose proposal is determined to be best value to Huron Valley Schools taking into consideration the terms and conditions set forth in this RFQu. A valid and enforceable Contract exists when an agreement is fully executed between Huron Valley Schools and the Supplier.

3.9 Optional Tools to Enhance Evaluation Process

Huron Valley Schools during the evaluation of proposals may find it necessary to utilize one or multiple tools, as listed below, to facilitate their understanding of the proposal(s) in order to select the best offering to Huron Valley Schools:

- Clarifications
- Deficiency Report
- Oral Presentation
- Site Visit
- Best and Final Offer (BAFO)
- Negotiations

3.10 Huron Valley Schools Option to Reject Proposals

Huron Valley Schools may, in its sole and absolute discretion, reject any or all proposals submitted in response to this RFQu. Huron Valley Schools shall not be liable for any costs incurred by the proposer in connection with the preparation and submission of any proposal. Huron Valley Schools reserves the right to waive inconsequential disparities in a submitted proposal.

Agreed - KOMPAN offers design services at no cost!

3.11 Freedom of Information Act

This Contract and all information submitted to Huron Valley Schools by the Contractor and proposers is subject to the Michigan Freedom of Information Act (FOIA), 1976 PA 442, MCL 15.231, et seq.

Huron Valley Schools shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the Michigan Freedom of Information Act or otherwise by law. The Proposer(s) must specifically label only those provisions of the proposal, which are actually trade secrets, confidential, or proprietary in nature. A blanket statement of confidentiality or the marking of each page of the proposal as "Trade Secret", "Confidential", or "Proprietary" shall not be permitted. Any such designation will be disregarded.

By submitting a response to this RFQu, the Proposer shall be deemed to have agreed to indemnify and hold harmless Huron Valley Schools for any liability arising from or in connection with Huron Valley Schools failure to disclose, in response to a request under the Michigan Freedom of Information Act, any portion or portions of the Proposer's response to this RFQu which have been marked "Trade Secret," "Confidential," or "Proprietary."

3.12 Contacts with Huron Valley Schools Personnel

All contact with Huron Valley Schools regarding this RFQu or any matter relating thereto must be e-mailed as follows:

Email address: clayton.thompson@ppim.org

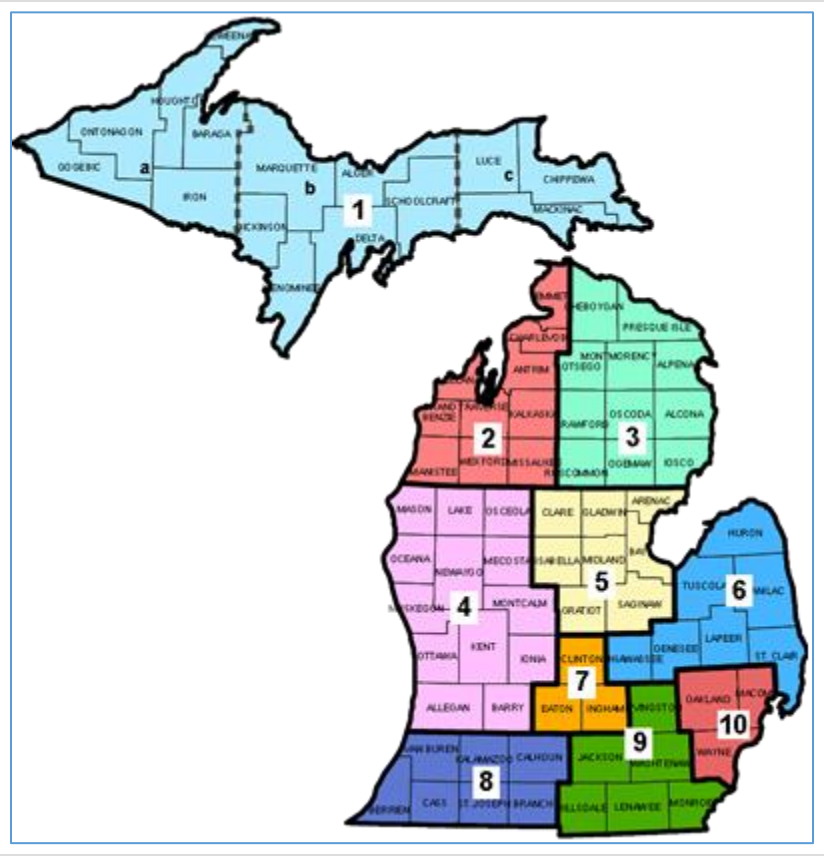

If it is discovered that a Proposer contacted and received information regarding this solicitation from any Huron Valley Schools personnel other than the Procurement Contact, Huron Valley

Schools, in its sole discretion, may disqualify its proposal from further consideration. Only those communications made by Huron Valley Schools in writing will be binding with respect to this RFQu.

3.13 Final Agreement Award Determination

Huron Valley Schools reserves the right to make one total award, one award for each category/section, multiple awards, or a combination of awards, and to exercise its judgment concerning the selection of one or more proposals, the terms of any resultant agreement(s), and the determination of which, if any, proposal(s) best serves the interests of Huron Valley Schools.

KOMPAN Warranty
KOMPAN Core Catalog 2026

Line Number 1 is designed for customized products to meet the needs of a particular project or specification may be available upon request. Due to the variety of product customization available, these items may not be readily identifiable on contract price schedules at the time of order. Kompan Inc. will extend the minimum Kompan equipment discount (9%) to any custom items created. Custom Kompan items, will begin or include a notation on proposals and invoices with the word "custom" + a specific code unique to that item.

Sample Timeline

03

Your Partner From Start to Finish

From design through installation, every step meets ADA, ASTM, and City requirements for safety, durability, and inclusivity

DEVELOPMENT

- A local Kompanion, your point of contact, will be on-site to understand the vision and goals of your project
- Dedicated cross-functional teams to develop a custom playground solution proposal package
- In-depth review to ensure full compliance with the project requirements

DESIGN

- Design team ensures ADA accessibility and ASTM/IPEMA compliance per City specifications.
- Design reflects client's vision, needs and surround environment
- Preliminary value engineering to keep within budget
- Output includes: Sketches, Site Plans, 3D Renderings, Posters and Fly-Overs/Animation

AWARD

- Confirm & finalize design & budget
- Contractual alignment with our legal team
- Internal project handoff
- Place your project order and confirm delivery timeline!

PLAN

- Meet your Project Manager
- Coordinate permitting and provide PE-sealed shade structure drawings for HVHZ compliance.
- Deliver a detailed project plan to confirm timelines and milestones
- Weekly site visits to keep expectations clear
- Deliver detailed schedule aligned with City's 180-day completion requirement.
- Develop risk register to address weather delays, permitting, and supply chain risks.

PRODUCTION

- Products are manufactured at our state-of-the-art facilities in Brno, Czech Republic
- KOMPAN manufactures its products using high quality materials and processes to withstand the harshest conditions and climates
- Manufactured with EcoCore™ recycled materials; ISO-certified processes for quality and sustainability.

DISTRIBUTION

- Our US Logistics & Warehouse Team actively track and report incoming deliveries to coordinate outbound shipping to the project sites
- On-Time delivery performances over the last three years have exceeded 99%
- Coordinate installation steps to optimize workflow, starting with site prep, surfacing, then equipment and shade structures.

INSTALLATION

- Responsible for disposing existing playground equipment and prep the site.
- Staging & Storage: Designated areas for equipment, surfacing materials, and shade components will be clearly marked and secured to prevent unauthorized access
- Access Routes: Identify and maintain clear paths for delivery trucks and installation crews.
- KOMPAN Factory-Certified Installers are only used on our projects
- Your Project Manager is maintaining communication and expectations with you.

CUSTOMER CARE

- KOMPAN will provide inspections and regular maintenance to the playground using certified resources
- Easy-to-use web tools will be made available post-install for any spare part needs
- Direct line of communication to quickly submit any requests

KOMPAN®

Let's play

Estimated Project Timeline

Milestone	Description	Projected Timeframe
Design	Create preliminary design and proposal package that supports the requirements. KOMPAN is a dedicated partner capable of designing, supplying and constructing a Playscape for HVS/CoPro+ members.	*1-4 weeks on average*
Post Award	Work collaboratively with HVS/CoPro+ members and other key stakeholders to make any adjustments or enhancements as it pertains to the site dimensions, materials and play value. Resources included are, but not limited to: Ryan, your Local Playground Consultant, Designers, and the Bid & Proposal staff.	*To be determined once confirmation of design is finalized if additional changes occur.*
Plan/Order Processing	KOMPAN's Proposal Team formally hands off project to dedicated Project Management Team. Equipment for the project is ordered accordingly. The PM Team will begin addressing deliverables and establishing hard dates with HVS/CoPro+ members and other key stakeholders as it relates to scope.	
Production/Distribution	KOMPAN's manufacturing facility builds the products as approved by HVS/CoPro+ members. Since KOMPAN is a turnkey provider, the PM Team has direct visibility to progress and expected delivery times, which is relayed to HVS/CoPro+ members and key stakeholders during regularly scheduled calls.	*Expected lead time for proposed equipment = 8 – 31 weeks depending on product selection*
Demolition/Sitework	KOMPAN-certified installer will remove the existing playground, surfacing, asphalt, grass, EWF, fencing and prep the site.	*Expected turnaround = 2 weeks on average*
Mobilization	To be determined on a project by project basis.	
Equipment Installation	KOMPAN-certified installer will assemble and install the KOMPAN products as agreed upon with HVS/CoPro+ members .	*Expected turnaround = 2-4 weeks on average*
Surfacing Installation	A KOMPAN-selected partner will install asphalt, concrete sidewalks and curbs, turf field, EWF, and safety surfacing as required in the solicitation.	*Expected turnaround = 3-4 weeks on average*
Final Inspection	Work closely with HVS/CoPro+ members to assure high level of quality and distribute "close out" documents, which includes an ongoing support plan from KOMPAN's Customer Care Team.	

SAMPLE – REQUEST FROM PM ON TIMELINES & UPDATE BASED ON PROJECT SCOPE

These timelines are **weather dependent, especially during the surfacing phase. Heavy rain could cause some delays

About KOMPAN

04

It All Started with a Question

What if play could do more than entertain? What if it could shape lives?
In the 1970s, we saw how outdoor spaces could bring people together. Not just children, but families, neighbors, and entire communities. So, we started building. Not just playground equipment, but places with purpose. Places that invite movement, spark connection, and make people feel welcome.

Over the years, we've learned a lot. About how people play, how they move, and what keeps them coming back. We've tested, refined, and reimagined. Today, our playgrounds and outdoor fitness solutions are backed by data, driven by design, and built to withstand the test of time.
We've made it easier too. You don't have to juggle multiple suppliers or worry about hidden costs. With KOMPAN, you get one partner, one process, and one solution tailored to your space, your users, and your ambitions—a turnkey solution.

You've probably seen yourselves. Hundreds of new KOMPAN playgrounds and fitness sites go up every single day. In cities, neighborhoods, and communities across the world. Each one is built for real life, shaped by insight, and designed to make a difference. We don't just promise quality. We guarantee it. Our products are rigorously tested, certified, and proven to perform consistently year after year, regardless of the conditions.

Because when play works, everything else falls into place. **And that is who we are.**

KOMPAN®

Let's play

Who We Are

KOMPAN®

Let's play

Happier & Healthier Communities

- 50 years ago, a young Danish artist named Tom Lindhardt witnessed an event that changed the world of children's play.
- One of his large, brightly coloured sculptures had been placed in a new housing estate to add colour to the otherwise drab surroundings.
- Realising that children were more interested in playing on his sculpture than admiring it, Lindhardt decided to start his own play equipment company – KOMPAN.

Established in 1970, KOMPAN now boasts over 50 years of experience in designing, manufacturing, and installing outdoor playgrounds and fitness sites worldwide – every day striving to deliver high-quality playgrounds and fitness sites that provide outstanding performance and bring communities together.

Let's play

KOMPAN®

Let's play

A Round Dot in a Square World

- Creating happier and healthier communities back then, today, and tomorrow will always be our driving force.
- KOMPAN is fundamentally all about play, activity and social infrastructure – like when children in a bleak and grey housing estate started clambering over a piece of contemporary art in the 1970s.
- For over 50 years, we have led the way in playground and fitness innovation, crafting environments that foster community and well-being.
- KOMPAN, a half-century on, three generations from those first kids clambering on art, is and promises to continue to be at the forefront of understanding the unquestionable value of play and fitness.

KOMPAN®

Let's play

Our Design Approach

Wow, Stay, and Develop

WOW

Play structures that wow and draw children in. Expectation of action, fun and adventure, eyes open wide with awe – that is the WOW factor.

STAY

Hours of play and fun. Not just a few minutes. The stay factor nurtures social interaction, inspiring children of all ages and abilities to stay and play longer.

DEVELOP

Play is also about personal, cooperative, and competitive development. The Develop-factor is the endless mission of our KOMPAN Play Institute play experts.

KOMPAN®

Let's play

Our Design Approach

Why Choose KOMPAN

Play grounded in knowledge
Our unique KOMPAN solutions attract more users, encourage them to stay longer, and make them come back again and again. Because all the products and solutions we develop, we develop together with our users, based on science and user tests. This way we make sure that KOMPAN play is always grounded in knowledge.

WOW, Stay, Develop
Our aim is threefold: to create a WOW reaction that stimulates a desire to STAY and, through play, physically and mentally, makes children DEVELOP. The three distinct factors are embedded into every KOMPAN solution and radiantly displayed in the happy faces of children playing on KOMPAN playgrounds.

Unique playgrounds
When is a playground not just a playground? When it is one of a kind. Our KOMPAN architects, landscape architects, and designers create built-from-scratch playgrounds and fitness sites that are tailored to be unique statements for communities and customers wishing to stand out and ready to make their mark.

From world-class production and supply chain
KOMPAN play and fitness equipment is produced at our own KOMPAN production facilities. Our facilities are highly advanced with lean and sustainable manufacturing practices.

KOMPAN®

About Us

When it All Started:	KOMPAN date of incorporation was November 26, 1991, and made a landing in the US in 1996.
Headquarters:	KOMPAN World HQ is in Odense, Denmark Our US Entity, KOMPAN Inc., is headquartered in Austin, TX. Almost 250+ US employees across 15 states
Our Specialties:	Developed in the 1980s, the KOMPAN Play Institute is a unit of play specialists dedicated to developing, documenting, and researching play and playgrounds. In 2014, KOMPAN Fitness Institute was established. It is a network of sport and fitness experts and professionals who conduct research sharing knowledge and trends
Manufacturing:	Occurs in Brno, Czech Republic
Certifications & Licenses:	All products are manufactured to ISO 140001 requirements and, as a minimum, meet relevant ASTM safety standards. Certified Playground Safety Inspector (CPSI) KOMPAN boasts IPEMA certified products
Distinctive Traits:	Our playground components are made of 95% recycled materials through our Born Green and Made Green initiatives.
Services:	Turnkey provider of playground and outdoor fitness equipment, sitework, equipment installation, surfacing and other site amenities. KOMPAN Inc. has a network of 100 installation teams across the US.

Testimonials

It’s important to request feedback and hear about our customer experiences so that we can adjust our approach and implement our strategies accordingly.

Scan me to see what the kids had to say!

“Thriving would be an understatement. The ripple effect was, without a doubt, initiated by the park improvement, and it continues.”
Amanda Strawser | President, Covington City Park Board - Indiana

"It really facilitates making new friendships, building those relationships, and those kids who are a little slower to warm up, a little slower to get involved, and feel comfortable enough to reach out to other kids have a place they can go rather than sit and be isolated."
– Amy Samuelson, Parent-Teacher Organization - Pennsylvania

“We worked with KOMPAN from the earliest planning meetings, and that allowed us to shape the land, the water features and the play equipment into a dynamic, unique destination playground. Taylor Farm Park is our largest play equipment installation, and by far, Henrico County’s most talked about park.”
Al Azzarone, ASLA - Park Planner, Henrico Recreation and Parks - Virginia

Safety Features & Compliancy

Greener Playground Sites: Where Durability Meets Safety

KOMPAN is a member of the API, an organization whose members are experienced, professional play experts who design, install and maintain high-quality equipment. They operate to the highest standards, abide by a strict professional code of conduct and are credit-checked and monitored regularly for financial stability. Members commit to creating play environments that deliver challenge and risk within well-developed safety standards.

KOMPAN manufacturing plants are inspected by an external auditor to ensure we comply with the following international standards.

ISO 9001: The international standard that specifies requirements for a quality management system.

ISO 14001: The international standard that specified requirements for an effective environmental management system.

OHSAS 18001: The name given to the family of international standards relating to occupational health and safety management.

A word from Headquarters:

"We know from experience that our playgrounds have to withstand uses beyond what is intended. Therefore, many of our products are tested at a level that by far exceeds what is actually required".
Jacob Harder, engineer and Technical Product Manager at KOMPAN

KOMPAN

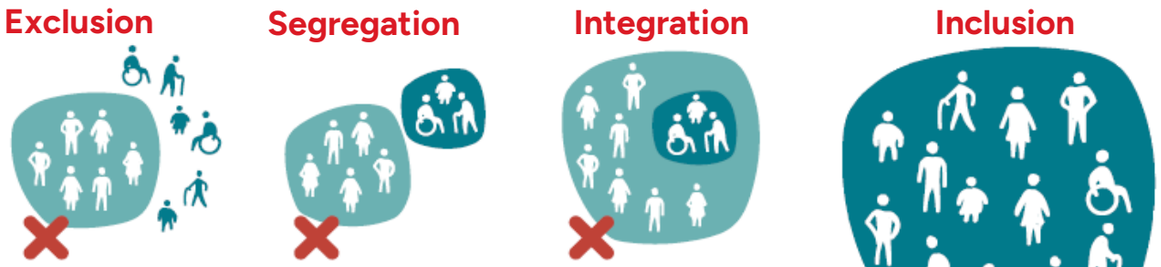

Let's play

Universal Design & Inclusivity

Designing Play Without Limits

Universal Design Philosophy

KOMPAN has a well-established tradition of universal and inclusive design. All children, including children with a developmental difference, are considered when a KOMPAN product or play space is made. One of the four main points in KOMPAN's play philosophy is "Play Together", which encompasses the idea, that all children and adults should be included in play no matter what their ability. This philosophy is continually demonstrated in our designs. KOMPAN designs have many openings and details which support play exchange from the inside to the outside of a product. These design assets create a play space both in and around the product resulting in very open designs, creating opportunities for play across all abilities.

6 Principles for Universal, Inclusive Design

KOMPAN's Foundation for Inclusive Design:

1. Can users get around?
2. Can they stay?
3. Can they play?

Get Around

Circulation routes are clear and play areas have safety surfacing that is **accessible for all**. For those with physical challenges, playground equipment can be accessed independently and with minimal transfer work.

Stay

Inclusive design encourages extended stays, embracing zones of diverse play and spots for breaks. **Seating, shade, and retreats from overstimulation** make it possible to stay longer in the playground, whether young or old.

Play

All users cannot do everything, but all users are offered as much as possible that they can play on or with. Variation is key, balancing thrill activities and social play with cognitive activities and individual play.

KOMPAN

Let's play

Invisible Inclusion for All

1. Research shows when children with disabilities play with non-disabled children, they grow and develop their abilities and strengths, thus gaining a positive self-image.

2. Children with disabilities, just like all other kids, love the thrill and joy of playing with others.

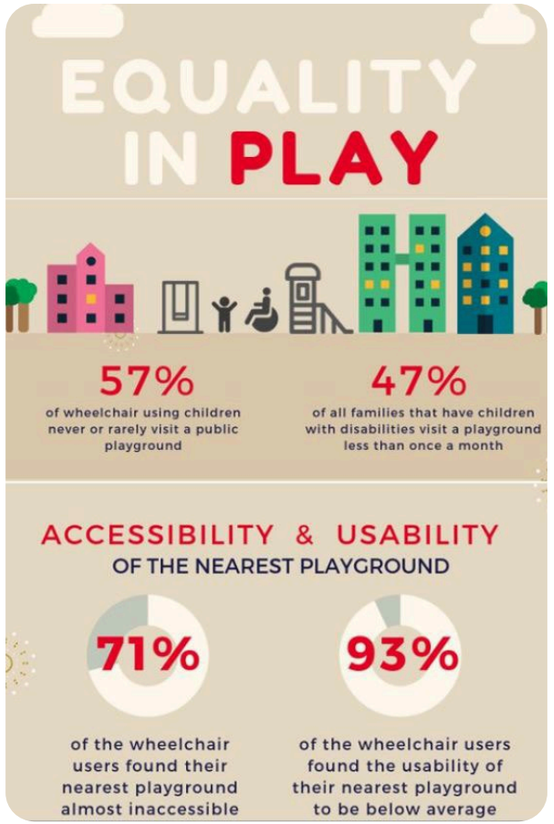

3. Children's physical, social-emotional, cognitive and creative development is not only supported by play, it's developed through play.

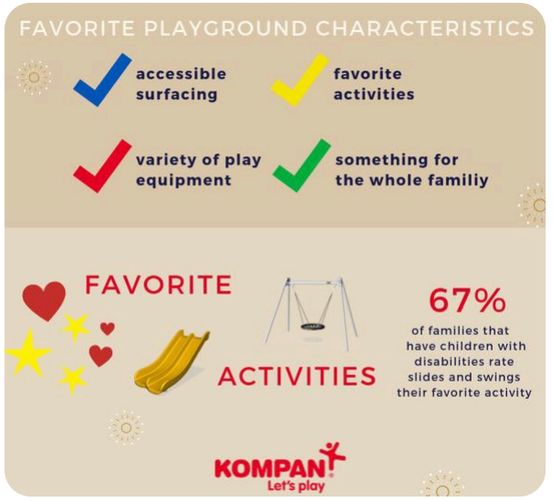

Fun Fact! KOMPAN's mission of creating truly inclusive, universal playgrounds has been part of our journey since the 1980s, before the American Disability Act was signed into law in 1990. We have more than 50 years of experience designing play solutions for all, including children with disabilities. Over the past years, the KOMPAN Play Institute has intensified its observation studies and revisited the core insights of universal play.

Check out what our audience has to share about our playgrounds!

KOMPAN®

Let's play

Play & Child Development are Intertwined

Play value is the value gained from play, the value that makes the child “want” or developmentally “need” to undertake the activity and thus gives the play item holding power.

Play is one of seven emotional systems of the human brain and is on par with other human emotional instincts such as happiness, fear, or love. Children’s physical, social-emotional, cognitive, and creative development is not only supported by play, it is developed through play.

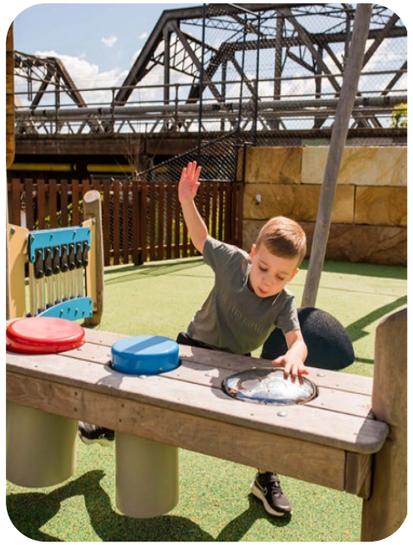

Cognitive
Joy of learning: curiosity, understanding of causal relationships and knowledge of the world

Social-Emotional
Joy of being together: teamwork, tolerance and sense of belonging

Physical
Joy of movement: motor skills, muscle, cardio and bone density

Creative
Joy of creating: co-creation and experimenting with materials

KOMPAN®

Let's play

Kompan Play Institute

Design That's Based On Research

Creating happier and healthier communities is impossible without first understanding what the community members need. The KOMPAN Play Institute has been part of developing, researching and advocating playgrounds for KOMPAN since the 1980's. As KOMPAN's founding, children have been at the heart of our innovation and progress. We recognized from the start that high-quality play value is essential for engaging children and supporting their development. It is this recognition that led to the creation of the KOMPAN Play Institute (KPI).

KPI meticulously researches and documents the benefits of play and works closely with our design teams to ensure that each KOMPAN playground maximizes play value and supports cognitive, social, and physical development for all children. By testing prototypes directly with children, KPI ensures that our equipment not only meets developmental needs but also wins the approval of its most important critics—children. This process ensures our playgrounds invite every child to play longer and more often, keeping them happier and healthier in life.

KOMPAN actively contributes to published research, with the KPI staff authoring over 35 peer-reviewed articles, book chapters, and books in the field of child development. KOMPAN also provides valuable resources for blog and podcast content, further supporting discussions on play, child development, and fitness research.

To play is to be human

KOMPAN®

Let's play

Highest Quality of Materials

Play Panels

The 19mm EcoCore™ panels are a highly durable, eco-friendly material, which is not only recyclable after use, but also consists of a black core produced from 95% recycled post-consumer material from food packaging waste. The new dark teal EcoCore™ panels, used in KOMPAN GreenLine products, are made of 95% recycled post-consumer ocean waste.

Decks

All decks are supported by uniquely designed low-carbon aluminium profiles with multiple attachment options. The grey- colored molded decks are made of 75% post-consumer ocean waste PP material with a non-skid pattern and texture surface.

Ropes

Ropes come with galvanized six-stranded steel wires and a steel core, impossible to wear through. Each strand is tightly wrapped with PES yarn, which is melted onto each individual strand, making the ropes highly wear and vandalism-resistant.

.

Posts

Main posts are available in four different materials.

1. Impregnated pine wood with in-ground steel footing.
2. Galvanized steel with powder-coated top finish.
3. Color-anodized lead-free aluminum, made from low-carbon aluminum.
4. TexMade™ posts made from 95% post-consumer recycled textile and plastic waste.

Galvanized Steel

Our steel surfaces and steel frames consist of a hot-dip galvanized inside and outside with lead-free zinc according to global safety standards for playground equipment. The galvanization has excellent corrosion resistance in outside environments and is maintenance-free.

Robinia Wood

Robinia wood is a very strong and long-lasting material with a very high level of natural oils. Thus Robinia wood makes very durable playgrounds which are close to maintenance-free and able to last for many years

Product Warranty

We Have Industry-leading Warranties

- Hot-Dip galvanized parts
- Stainless steel parts
- EcoCore and other high-density polyethylene (HDPE) parts

**KOMPAN's LIFETIME warranty is in effect for the lifetime of the product until the product is uninstalled and/or taken out of use. In addition, KOMPAN's general terms &delivery conditions apply and supplement this warranty.*

- High-pressure laminate (HPL) parts
- Aluminium parts

- Painted surface on galvanized or aluminum metal parts.
- Pre-galvanized posts with painted top layer. Electrogalvanized metal parts. Solid plastic parts. Wood-plastic composite parts.
- Robinia, Siberian larch, pine,& other wood types.
- Stainless Steel Slides.
- Transparent Poly Carbonate (PC) parts. Hollow plastic parts. Rope and net constructions

- Resin coated plywood parts
- Springs and ball bearing assemblies
- Graphic print on transparent PC panels
- Concrete parts
- Galaxy Connection Balls

- Moveable plastic & metal parts
- Rubber membranes
- Screens and electronic parts
- Sunshades & sail solutions
- Nylon nets
- Spare parts

SAFETY STANDARDS

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification service whereby a designated independent laboratory, TOV SUD Amenca Inc., (TUV).validates an equipment manufacturer's certification of conformance to the ASTMF1487 standard Consumer Safely Performance Specification for Playground Equipment for Public Use, except sections 7.1.1, 10, 13.1.1, 13.1.2, 13.2, and 13.3; lo CAN/CSA Z614 Children's Playspaces and Equipment, except clauses 10 and 11; or both. A list of current validated products and components may be viewed atwww.ipema.org.

Installation Warranty

We Have Industry-leading Warranties

This warranty applies to KOMPAN's products and spare parts for the time periods described foreach product type above and with the limitations described in this warranty. The warranty period applies from the date of purchase by the first customer. This warranty covers only defects in materials. KOMPAN's liability under this warranty is limited to repair or replacement of defective products, without charge, at KOMPAN's discretion.

Proper Installation And Maintenance
The warranty only applies if KOMPAN's products have been installed according to the instructions provided by KOMPAN and maintained correctly according to the KOMPAN Maintenance Manual. The warranty for the ICON electrical components are dependent on those products being installed by an ICON trained and approved installer..

Warranty Exclusions
This warranty does not cover any damage caused by accident, improper care, negligence, normal wear and tear, surface corrosion on metal parts, discolored surfaces and other cosmetic issues or failures due to misuse or vandalism. Natural changes in wood over time are considered cosmetic issues and not covered.

Near Water Installations
Products installed in direct contact with chlorinated water or saltwater (waterparks), or products installed within 650feet from the shore are not covered by the KOMPAN warranty for any defects caused by corrosion. Specially designed products (handled Variant department for customized products and upgraded to corrosion class C4)installed within 650 feet from the shore will be covered by5 years of warranty in relation to structural defects caused by corrosion.

Third-party Supplied Products & Services
KOMPAN provides non-KOMPAN branded products and installation services performed by certified third-party suppliers. This general KOMPAN warranty does not apply to such non-KOMPAN branded products and installation services, which may carry their own warranties. KOMPAN will pass on information on such warranties where possible.

Freight And Warehousing
Global transport and logistics arranged by KOMPAN appointed forwarder. Products/items are not to be stored outside waiting for installation and must be kept dry at all times.

Support Designed Around Your Experience

We have a dedicated Customer Care team providing direct support to our customers and project managers.

Customer Care Team:
- A single, centralized team delivering fast, expert responses to all aftermarket questions via phone and email
- Professional quoting and processing of spare parts orders, complete with timely order confirmations
- End-to-end handling of warranty claims to simplify the experience for customers

Spare Parts Specialists:
- Streamlined management of all Spare Parts ticket submissions and customer support requests
    - Spare parts are supplied within a four-week lead time, with frequently used items held in stock at our headquarters for quick dispatch.
- Seamless delivery of spare parts quotes and information to the correct stakeholders

Service & Maintenance Coordinators:
- Integrated repair-labor support, adding labor needs directly into Spare Parts tickets when required
- Collaborative repair quoting with local installers, fully integrated into customer proposal packages
- Complete proposal solutions delivered with care, along with management of all necessary customer approvals
- Full coordination of repair activities between customers and vendors for a smooth, hassle-free experience
- Clear communication and expertly managed parts procurement to ensure repairs stay on track
- Delivery of comprehensive close-out documentation to both customers and DSRs for total project transparency

KOMPAN®

Durability & Maintenance

In many ways once your installation has been completed our work is only just beginning.

Your KOMPAN rep will be your main point of contact for:

- Manage after sales inquiries
- Response window within 24-48 hours
- Spare parts identification
- Process any orders / claims
- Ensure speedy dispatch of replacements to minimize disruption to your play area

Keeping Playgrounds Perfect

KOMPAN has a responsibility to advise you of the on-going maintenance required and how you can gain the most from your play area in years to come. We can help you to maintain and allow your play area to be kept to the highest standards, by allowing you to keep a 'KOMPAN service book' which ensures a correct maintenance procedure is in place. Our service record will help protect you and your organization against claims and litigation and helps eliminate any possible issues caused by damage or neglect.

Service That Stays With You

When you partner with KOMPAN, you're never alone after installation. Our dedicated **Customer Care Team** works hand-in-hand with Technical Support and Spare Parts specialists to ensure every question is answered and every need is met, giving HVS/CoPro+ members complete confidence in long-term service and support.

Visit our easy-to-use website where you will find & order directly exploded drawings for every product!
