HURON VALLEY SCHOOLS | Inspiring and Building Futures, One Student at a Time

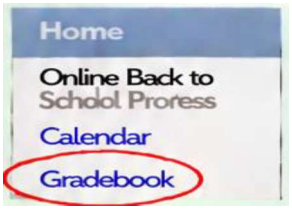

A Parent's Guide to Checking Grades
in Skyward Family Access

Monitor grades, review assignments, and stay connected with your student's progress!

❶ Log In

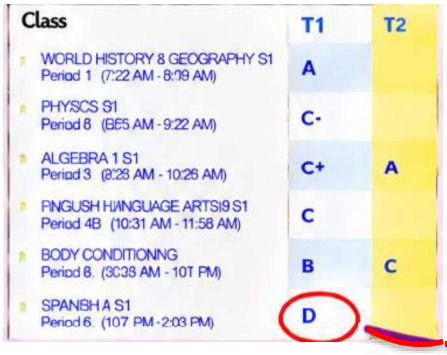

Open Skyward Family Access at www.hvs.org➔ For Parents ➔Family Access.

❷ Open Gradebook

Select "Gradebook" from the left-hand menu to access your student's grade information.

❸ Review Class Grades

Click on a grade listed in the current term to see all assignments and assessments that contributed to that grade.

❹ Understand the Grade

PRACTICE (weighted at 20.0000)		E-	39.01	71 out of 182
10/33/26	Speaking - class discussion	A	100.00	2 out of 2
10/28/26	1.4 Comic Strip	A	100.00	25 out of 25
10/23/26	El Silbo Gomero	E-	0.00	0 out of 50
10/22/26	Freewrite	A	100.00	2 out of 2
10/08/26	SAW-Adonde vas			* out of 100
10/06/26	Freewrite	A	100.00	2 out of 2
10/65/26	Filesswork			

Each class may use different categories, point values, and weighting. A missing assignment in a category with only one assignment listed might have a large impact on a grade. So could an assignment with a large point value.

Helpful Tips for Parents

- ✓ Check grades regularly for updates, and encourage students to check their own progress regularly, too.
- ✓ Although looking at missing assignments at the top of the grading screen can be helpful, it doesn't show the full picture. Click on class grades as shown in Step 3 for a much more comprehensive view of students' grades.
- ✓ A blank space next to an assignment means that the teacher has not yet entered a grade.
- ✓ A "0" grade for an assignment usually indicates that the student did not submit the assignment on time.
- ✓ If you have questions regarding a grade, reach out to your student's teacher.

Stay Informed. Support Their Success!

A Parent's Guide to Checking Grades in the Skyward Mobile Access App

Monitor grades, review assignments, and stay connected with your student's progress!

1 Download the App

Get the Skyward Mobile Access app on your smartphone.

Downlaed on the App Store

GEF TɈON Google Play

SKYWARD

2 Connect to Huron Valley Schools

1. Open the Skyward app.
2. Tap Find My School District.
3. Search for Huron Valley Schools and Select it.
4. Enter your Family Access username and password.

3 Select Your Student

Tap your student's name to view their information.

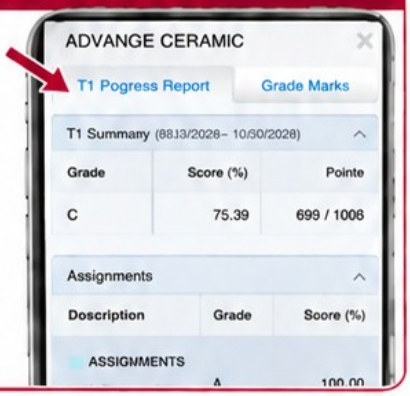

4 Check Your Student's Grades

Tap Gradebook to view current grades and assignment details.

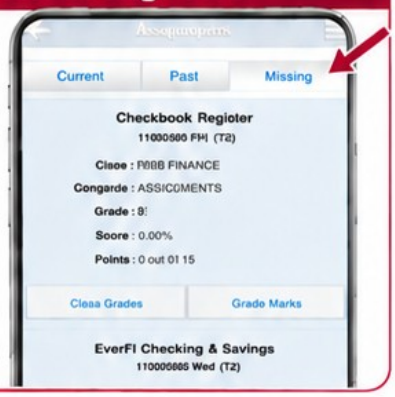

5 Understand the Grade

Tap a letter grade for a class to see scores on individual assignments and assesiments that contributed to that grade.

6 Keep an Eye on Missing Work

Select Gradebook and tap the Missing tab to set the full list of missing assignments.

Helpful Reminders

- Grades are updated as teachers enter assignments.
- Missing assignments may not always reflect the most current classroom information.
- Contact your student's teacher with questions.
- Regularly checking grades can help identify concerns early.
