Sierra Vista Unified School District
Arizona Tax Credit Form
Reclaim your tax dollars!

It's important. This is your chance to have a say where your Arizona State income tax dollars go. Arizona will allow you to send the Sierra Vista Unified School District a tax credit donation and you may be able to subtract the total from your State income tax.

It's easy. Just fill out the form below, directing your tax credit of up to $400 (married, filing jointly), or $200 (single) to the district office or the school of your choice. You can apply your tax credit to the current or previous tax year if the contribution is made prior to the IRS tax filing deadline. **See your tax preparer for information about tax year designation.** A list of schools and programs to support is attached to this form. Please check with your tax advisor to ensure you are eligible for the school tax credit. ***New AZ tax return ruling states you must have the school's CTDS number. The CTDS #'s (Required on your tax return) for Sierra Vista Unified School District #68 are***:
