**TO ENSURE BUILDING AND STUDENT SAFETY,
VISITORS ARE ONLY ALLOWED IN THE CAFETERIA,
ACTIVITY ROOM, AND THE HALLWAY LEADING
THERE, NOT IN ANY OTHER HALLWAYS OR
CLASSROOMS.**

***YOU ARE ONLY ALLOWED TO EAT WITH YOUR OWN
STUDENT.**

**THANK YOU FOR HELPING US STAY COMPLIANT
WITH OUR SAFETY GUIDELINES.**

CAR LINE SAFETY WITH OFFICER SHAW

Here are a few safety guidelines we ask everyone to follow in order to keep our students safe in the car line:

At drop off, please do not park and walk your student across the car line lanes to deliver your child to the sidewalk. You must drive through the car line to drop your child off. In the mornings, students may exit their cars along the sidewalk inside the coned area. If students follow this procedure, the car line moves much faster.

At pick up, please have the current year's name tag easily visible in your car. If we do not see the current year's tag, we will ask you to park and come inside with your identification. This is to ensure that approved individuals are picking up your child.

from

NURSE

Abbi

**If your child receives medication or an inhaler, a medication policy form must be signed for your child to receive this medication. We will also need updated doctor's orders. If we do not have a signed medication policy, orders from your doctor, and a non-expired medication on hand, we can not administer medications. These forms are available at the nurse's office. **

**Please put a full change of clothes (with underwear and socks) in your student's backpack in case of accidents or accidental spills. **

**If your child has any food sensitivities or allergies and requires a meal modification, a form must be signed by a physician and submitted to the nurse. **

I NEED TO STAY HOME IF...						
I HAVE A FEVER	I AM VOMITING	I HAVE DIARRHEA	I HAVE A RASH	I HAVE HEAD LICE	I HAVE AN EYE INFECTION	I HAVE BEEN IN THE HOSPITAL
						
Temperature of 100.4 or higher	Within the past 24 hours	Within the past 24 hours	Body rash with itching or fever	Itchy head, active head lice	Redness, itching, and/or "crusty" drainage from eye	Hospital stay and/or ER visit
I AM READY TO GO BACK TO SCHOOL WHEN I AM...						
Fever free for 24 hours without the use of fever reducing medication i.e Tylenol, Motrin	Free from vomiting for 24 hours	Free from diarrhea for at least 24 hours	Free from rash, itching, or fever I have been evaluated by my doctor if needed.	Treated with appropriate lice treatment at home and proof is provided to nurse	Evaluated by my doctor and have a note to return to school	Released by my medical provider to return to school

Student Medications

DO NOT SEND ANY MEDICATIONS TO SCHOOL WITH STUDENTS OR IN THEIR BACKPACKS

*All medications for students to take during the day (prescription or over-the-counter), must be brought to the nurse's office by a parent. A medication form must be filled out to be kept on file.

*Prescription medications must be in the original prescription bottle. Any over-the-counter meds must also be in the original box.

*Immunization Exemption forms and Meal Modification forms must be turned in every school year. If your student requires one of these, please send a form for the '26-'27 school year to school with your child.

*Students must be fever-free and symptom-free for 24 hours **WITHOUT MEDICATION** before returning to school.

ATTENDANCE & ABSENCES

***If your student is absent or will be absent, please send a signed, dated note to school in his/her folder. This can be a parent note or a doctor's note for appointments or for illness.**

A call to the office is not necessary as we need written documentation.

HELPFUL TIPS FOR NWH

***Please label all of your student's belongings, including backpacks, lunchboxes, water bottles, and jackets. This will help us return these items to their owner's much quicker.**

***Be sure your student knows how they are getting home everyday. This information needs to be communicated to staff by a parent/guardian. We will not accept transportation changes solely from the student.**

***If you need to change transportation, send a note in your child's folder, message the teacher or contact the office before 2 PM.**

***Put a seasonal change of clothes, including underwear and socks, in your student's backpack. In case of an accident, lunch room spill, or playground mishap, your kiddo will be ready to get back to learning in fresh clothes.**

***Students are not allowed to bring toys to school.**

A milk choice of 1%, skim
and fat free chocolate is served
with all meals.

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just one or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Keep your child healthy and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Try to schedule non-urgent related medical appointments and extended trips when school isn't in session.
- If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If you are concerned that your child may have a contagious illness, call your school or health care provider for advice.
- If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.

Revised April 2024

When Do Absences Become a Problem?

CHRONIC ABSENCE
18 or more days

WARNING SIGNS
10 to 17 days

SATISFACTORY
9 or fewer absences

Note: These numbers assume a 180-day school year.

Visit Attendance Works at www.attendanceworks.org for free downloadable resources and tools!
