GOOD CHOICES LEAD TO GREAT OPPORTUNITIES.

RESPECT
SAFETY
LEARNING
BELONGING

Teacher-written incident reports help us address behavior, support students, and keep our school a safe and positive place to learn for everyone.

How It Works:

1. **1st incident:** Teacher warning and parent contact
2. **2nd incident:** Teacher warning and parent contact
3. **3rd incident:** Office referral plus administrator and parent contact
4. After a meeting with the principal, consequences are determined case by case.

Important Reminders:

- Reports accumulate across all classes during the quarter.
- Three lunch detentions in one quarter result in an office referral.
- Missing a lunch detention leads to more serious consequences.

Our Approach:

We use grace and curiosity to understand the "why" behind behavior and help students make better choices.
