

ELEVAT-ED

Forum for Superintendents

A comprehensive SSDA coaching program designed for superintendents in their early years

Register Today!

Included as part of the Elevat-Ed Forum:

Matched with an experienced superintendent mentor for personalized guidance and support

10 structured monthly webinars plus 20 individualized touch points throughout the year via phone, virtual meetings, or in person

Receive practical guidance on navigating governance, leadership systems, community engagement, district culture, and more

Build confidence, strengthen leadership capacity, and grow a trusted professional network

Upon successful completion of the program, superintendents will be awarded the SSDA Superintendent Leadership Institute Certificate.
