I. Call to Order

Mr. Mixon called to order the meeting at 4:00pm on September 16, 2021.

Present: Andre Mixon, Todd Dubin, Kimberly Middleton, Jack Erickson, Jonelle Bankemper, Jason Miller, Courtney Beck, and Savannah Smith.

- A. Pledge of Allegiance
- B. Approval of Minutes- Andre Mixon motioned to approve, Jonelle Bankemper second- motion passed.
- C. Reports
 - 1. Member Reports- Jack Erickson spoke about parent teacher conferences and how they went well, but suggests the time allotted is shorter. Todd Dubin said the same and noted that a few of the teachers didn't have room numbers on the sign-up. NJROTC and Key Club were a great help at conferences.
 - 2. Administrative Reports- Kimberly Middleton spoke about how teachers liked to have their schedules for parent teacher conferences. She also reported that intersession is coming up and it's a great chance to raise grades.
- D. Call to the Public- Jason Miller gave a COVE update and spoke about Proposition 487 Override that is coming up. This override was first voted on in 1992 and has to be voted on every 5 years. It pays for various Vail staff including fine arts and PE teachers, and other staff members. If the override doesn't pass, 1/3 of those staff members will fade out for the next 3 years each year.
- E. Recognitions- Kim Middleton recognized PE Teacher and Football Coach, Justin Agraves. He is taking such pride and accountability for his football team. They have been dressing nice on game days, and show professionalism and class. Kim also recognized Security Monitor, Eric Husfelt, for bringing a football player a shirt and tie on game day since he didn't have one. She also recognized Communications Director, Jilly Henry. Jilly has been a huge asset to CHS, always on top of things, and revamping our school website. She also helped a cheerleader fix her cheer skirt so that she could wear it to a varsity football game (this made the students' day and she was in happy tears at the end).

Jack Erickson gave a shout out to Tim Nichols for buying tickets to the monologue showcase for the entire class. Courtney Beck and Savannah Smith

mentioned the Student Council assembly and how great it was for everyone to come together, even though it was so hot outside. Courtney also recognized how much the security monitors have been such a great help this school year. Jack Erickson recognized Brenna Torres for working so hard on investigations and jumping right into things.

II. Old Business

A. No old business

III. New Business

A. \$10,000 Blanket Approval for Greatest Needs

ACTION

Kim Middleton requested approval for \$10,000 to be used for greatest needs. She explained it is used to cover items when a bucket becomes empty. Last school year it was used for things such as musicals and team uniforms. Andre Mixon moved to approve, Savannah Smith second. Site Council approved the motion.

Background: This blanket approval is something that needs approval every school year for the school's greatest needs.

B. Proposition 487 Override Information

INFORM

Kim Middleton gave an overview of this override. She explained this override needs to be voted on every 5 years. Taxpayers money will not be increased by this override unless home values go up. This money pays for various fine arts and PE teachers, and other staff members. If this override doesn't pass, every site will be affected.

Background: This override was first voted in 1992 and needs to be approved every 5 years.

C. GoFan

INFORM

Kim Middleton spoke briefly about GoFan, the new electronic tickets for CHS sporting events. She mentioned that AIA is requiring most schools to go ticketless. It needs to be broken down into an explanation of a "family pass." Courtney and Savannah suggested that these passes should be available for students to purchase in the bookstore.

Background: Inform item only

IV. Adjournment

Andre Mixon motioned to adjourn, Jonelle Bankemper second. Site Council adjourned at 4:47pm.
