Learning about Literacy

Our elementary students are building a strong foundation in reading and spelling through the **Fundations** curriculum. This evidence-based program uses a fun, multisensory approach to teach crucial skills like phonics, letter-sound mastery, and sight words in an engaging and systematic way. Fundations helps students of all levels become more confident readers and writers through daily, interactive lessons.

Good Morning Club

AR quizzes will only be permitted to be taken during the school day and while at school. Therefore, students will be given opportunities to take AR quizzes during school hours (7:50 a.m. to 3:00 p.m.) If time does not permit a student to take a quiz during regular class time, students may complete homework or take AR quizzes during Good Morning Club, which will be available every morning from 7:50–8:10 a.m. in room 111. This provides students with an additional opportunity to complete quizzes and complete work at school. Please encourage and remind your child to go to the Good Morning Club if he/she has a quiz to take each morning.

Tardies

School has now been in session for nine weeks, which is ample time to make any adjustments and ensure your child arrives on time.

Our responsibility is to provide students the best education possible. In order to have the full attention of students, disruptions in the classroom must be kept to a minimum. Students who arrive after 8:15 a.m. are considered tardy.

Please be sure students arrive to school on time to avoid any Truancy Consequence Action Plans.
