Detailed information was sent home regarding our Parent Teacher Conferences. Complete the form and send it back quickly to get preferred times.

Class Dojo is a great way to communicate about non-emergency situations. We kindly ask that parents respect teachers' time during the school day and evenings to allow them to focus on their students during the day and families in the evening. Messages will be responded to as soon as teachers are able. For emergency situations, please do not hesitate to call the school if a message has been sent without a response.

Hancock County School's attendance theme is **"9 or Less = Success"**

Per Hancock County School Attendance Policy and in collaboration with WVDE, students are allowed ten (10) parental excused days each year. These are days where a visit to the doctor is not necessary, but the child is ill or absent for another medical reason. If your child is absent more than ten (10) parental excused days, all further absences will be considered unexcused unless a doctor's note is provided.

0-9 Absences	10-19 Absences	20 + Absences
100-95% Attendance	94-90% Attendance	89 or lower % Attendance
Very Good: Best Chance of Success. Gets your child off to a solid start.	Worrisome: Less chance for school success. Makes it harder for your child to make progress.	Serious Concern: Your child will find it very difficult to make progress. May result in court action and likely route to dropping out.
