What is a Parent-Compact ?

The School-Parent Compact is a shared commitment between families and staff to support student success. It was developed collaboratively, with parents contributing ideas for home learning. The compact is reviewed annually, and all families are invited to provide input.
Together, we commit to the following responsibilities:

Our Shared Responsibility for Student Success

At OHMS, student success is a shared effort among families, staff, and students. In 6th grade, we focus on a smooth transition with strong routines and communication.

The school will

- Provide high-quality instruction aligned with state standards.
- Monitor academic progress and share results regularly.
- Provide a safe and supportive learning environment.
- Offer opportunities for family engagement and input.

Parents/guardians will:

- Ensure attendance and monitor academic progress.
- Communicate with teachers and attend school events.
- Reinforce learning at home and support high expectations.

Students will:

- Attend school regularly and be prepared to learn.
- Complete assignments and take responsibility for learning.
- Respect school rules and contribute to a positive school culture.

Our 6th grade team works together to support each student's progress, while our PBIS program encourages students to be Respectful, Safe, Responsible, and Resilient Red Devils.

Daily Schedule

The biggest change from elementary to middle school is the schedule. Your 6th grader will have an 8-period schedule with the following teachers:

- Core Subjects: English Language Arts, Math, Science, and Social Studies.
- Electives: Art, PE, Academic Enrichment, or Music.
- School hours are 7:05 a.m. to 2:35 p.m., with frequent class changes to foster independence.

Communication

We believe strong communication is the foundation of success. Here's how we stay connected:

- Facebook & Website: Follow us for updates at http://boe.faye.k12.wv.us.
- Text Alerts: Stay informed with county-wide text messages.
- Schoology: Message teachers directly and monitor grades and attendance. Replies go to Schoology and the email you provided.
- Phone: Call us at (304) 469-3711 to reach teachers during their planning period.

If you ever have an issue, all your child's teachers are available via Schoology. You can use the message center to send messages, the replies will go to both livegrades and the email you supplied the school. You are also welcome to call the school (304) 469-3711 to talk to your child's teacher during their planning period if needed.

What is Title 1?

Oak Hill Middle receives Title I funding, which helps provide academic support for students in areas such as reading and math. These funds allow us to offer a variety of supports to our school, students, and our parents. For Example:

- Provide extra resources and support for students who need
- Offer professional development
- Host parent engagement activities
- Provide targeted intervention to students who are close to mastery

Our Title 1 department helps students who are close to mastery to give them the extra boost they need to succeed. This includes small group instruction, targeted intervention, and progress monitoring.

Technology Tools

OHMS offers several technology tools to help you keep up with your student's learning:

- Schoology: Access assignments and announcements. Need help logging in? Contact one of your child's teachers for assistance.

I-Ready and WV GSA Testing

- i-Ready: Administered three times a year to monitor growth in reading and math.
- WV GSA: Spring assessments for ELA and Math..

GSA Scores and Semester Grades:

- MOY (Middle of Year) and EOY (End of Year) GSA scores will count as 10% of semester grades in tested subjects (ELA and Math).

How can I help my child adjust to middle school?

Transitioning to middle school can be a big step for students. Here are some ways you can support your child during this time:

· Create a Routine: Help them stick to a daily schedule for homework, meals, and sleep.

· Stay Involved: Check LiveGrades regularly and talk about their day at school.

· Encourage Independence: Let them take responsibility for their assignments and help them stay organized.

· Talk About Challenges: Remind them that it's okay to make mistakes and ask for help when needed.
