OHMS

2026-2027

- Increase academic achievement by 5%.
- Learn Bell to Bell in each class.
- Title 1 opportunities for all children schoolwide.
- Continue professional development to learn best practices.
- Provide targeted intervention for students with needs.
- Teachers will create quality lesson plans using rigorus DOK level tasks.
- Teachers use varying hands-on learning strategies.
- Teachers will meet in Professional Learning Communities as a grade level to discuss, plan, and develop formative assessments as well as data to identify weak areas or standards that need to be reviewed.
- Utilize Imagine math. Teachers will create pathways based upon the strengths and weaknesses of each student
- ELA & Social Studies will be working on writing strategies to improve writing scores.
- All OHMS faculty will utilize the TIDE writing strategy. Title 1 will also implement this in a small group setting to meet the needs of the students.

Climate & Culture

Our athletics, incentives, performances, and CODA sessions are excellent examples of the holistic involvement of students and staff.

Parent Involvement

Administration & Title 1 will hold parent meetings offering parents the opportunity to provide feedback & suggestions for school improvement. Parents will also be made aware of involvement opportunities like math & reading night. OHMS strives to continually provide information to parents on how to work to together to improve our student success.

ADMINISTRATION

Our school administration is proud to support our students, families, and staff every step of the way. They are always available to listen, assist, and work together to ensure student success. If you have any questions or concerns, please don't hesitate to call the school at 304-469-3711. Our administrators are happy to speak with you and are committed to keeping the lines of communication open at all times.
