A new school year is upon us, and with that comes the big yellow buses. Our transportation department at Nicholas County schools is excited about getting back on the road. School bus riding is exceptionally safe with students being eight times safer riding a bus than traveling in a personal vehicle. We encourage to take advantage of this service that your hard-earned tax dollars pay for. Our 2026-2027 bus routes for Nicholas County are now posted on the Nicholas County Board of Education website. Some changes from last year to consider: No out of district students will be permitted to ride on an out of district bus. So all students wishing to go to a school that is out of their district must board at the nearest bus stop for the district of the school they wish to attend. For out of district middle and high school students that will be Gauley River Elementary or Panther Creek Elementary. For a more detailed listing of actual stop locations, or to set up a stop for your student call Jason Hypes at (304) 872- 3611 ext. 1225, Ralph Terry at (304) 872-3611 ext. 1291 or Dawn Brown at (304) 872-3611 ext. 1234.
