SEPTEMBER 2026 BOARD BRIEF

Discussions and Approvals

Air Quality Report

Our annual Indoor Air Quality (IAQ) report has been completed, and the results were very positive. Thanks to the continued support of the Board and the diligence of our maintenance staff, the district's indoor air quality remains in good standing and has shown improvement compared to previous years. We greatly appreciate the Board's commitment to maintaining our facilities and the hard work of our maintenance crew in providing a safe and healthy environment for our students and staff.

Employment

Jenny Patterson has officially been hired back to assist with our band program part time.

District Land

The Board approved the district farmland lease proposal, extending the agreement for an additional three years.

Solar Panel Update

The district received its annual solar panel report for the past year. The report showed positive energy production and estimated cost savings, reflecting a positive financial benefit for the district.

Budget

The meeting began with the required public hearing on the proposed 2026–27 budget. No public comments were received. Following the hearing, the Board approved the 2026–27 budget.

Policies

Press Policy issue 122, which included many routine updates and 5 year reviews was approved unanimously by the board. The public can access all board policies at:
