

LSIC Annual Stakeholder Meeting Report Submission

Annual Stakeholder Meeting Report

County: __Wyoming_____

School: __Road Branch Elementary/Middle School_____

Principal: __Misty Lyons_____

Email: __mlyons@k12.wv.us_____

LSIC Chair: _____Carma Cochran_____

Date of Stakeholder Meeting: __10/19/26_____

The Local School Improvement Council (LSIC) certifies that the content below reflects the concerns, suggestions, and key points raised during our required Stakeholder Meeting.

Stakeholder Meeting Report Submission

Our school's academic performance and standing, as determined by measures adopted by the West Virginia Board of Education (WVBE), guides the work of the LSIC. In accordance with WVBE Policy 2322, the following areas were discussed during our meeting, including, but not limited to:

- Parent and Community Involvement
- Learning Environment
- Student Engagement
- Attendance
- Behavior
- Supports for At-Risk Students
- Curricular Offerings
- Resources
- Capacity for School Improvement

Please provide detailed information below that addresses each area. Include all concerns, suggestions, and discussion points raised during the meeting.

Mrs. Lyons discussed the Strategic Plan. Our school displayed over 50% assessment growth in Math/ELA for 6th and 8th grades. We had over 50% proficiency in the general summative assessment as well. Road Branch continues to strive to continue those improvements by providing stations, student groups and fostering teamwork in each classroom. We continue to Level Up skill gaps and continue to see growth as student interests improve.

Parent and Community Involvement- Upcoming Title 1 Event “Tall Tales by the Campfire” was discussed by Mrs. Lyons and Mrs. Cochran. As plans move forward for this event, the school is enlisting support from the local fire department, churches as well as parents and families to make this event a long-lasting educational support opportunity as well fostering positive relations between students, staff and families.

Learning Environment: Mrs. Lyons addressed this point by asserting that the staff at Road Branch will continue to give our students the best memories and academic opportunities as possible. We foster a welcoming and safe learning environment and continue to encourage positive improvements in the areas of attendance and academia.

Our School Interventionist is a large part of our positive learning environment but her participation has been paused due to a very serious personal injury. We look forward to her return.

Attendance: Our attendance is improving and Mrs. West, our Communities in Schools site coordinator, continues to address chronic absences as well as tardiness. She has implemented weekly and monthly activities such as the Mr. Potato Head assembly for perfect attendance, followed by weekly potato chip parties, as well as monthly incentives, including dances and movies.

Behavior: School-wide Positive Behavior Support Plan continues with positive expectations and outcomes.

Note: This document may be posted on both the school and county websites.
