Sealants offered by CHC 6/8/26
Permission slips are going home but online forms are available below.

The CHC of Snohomish County Smiles 101 Team is excited to visit your school to provide dental exams (Smile Checks) and dental sealants for students!
During our visit, our team will provide dental screenings to identify any urgent or emergent dental needs, apply dental sealants to help prevent cavities, and assist families with scheduling follow-up care if students do not currently have a dental home.
Dental sealants are a quick, safe, and painless way to help protect your child's teeth from cavities. A thin protective coating is placed on the back teeth, where cavities are most likely to form, helping keep teeth healthy for years to come. There are no needles, and students return to class right after their visit.
This service is provided at **no cost to families.** If insurance information is provided, we will bill insurance when available.
Interested in having your child participate? Please use the link below to complete the consent form:
Smiles 101 Consent Form
¡El equipo dental de CHC of Snohomish County está muy emocionado de visitar su escuela para ofrecer exámenes dentales (Smile Checks) y selladores dentales para los estudiantes!
Durante nuestra visita, nuestro equipo realizará evaluaciones dentales para identificar cualquier necesidad dental urgente o emergente, aplicará selladores dentales para ayudar a prevenir las caries y apoyará a las familias con la programación de citas de seguimiento si el estudiante no cuenta con un dentista regular.
Los selladores dentales son una forma rápida, segura y sin dolor de ayudar a proteger los dientes de su hijo o hija contra las caries. Se trata de una capa protectora delgada que se aplica en los dientes de atrás, donde es más común que se formen caries, ayudando a mantener los dientes saludables por muchos años. No se utilizan agujas y los estudiantes regresan a clase inmediatamente después de su visita.
Este servicio es **completamente gratuito para las familias.** Si se proporciona información del seguro médico, se utilizará para la facturación cuando sea posible.
¿Le interesa que su hijo o hija participe? Por favor use el siguiente enlace para completar el formulario de consentimiento:
