FROM OFFICER GRUBBS:

August Crime Prevention / Safety Tips: Back to School Safety

For many parents and citizens of Fort Smith, *myself included*, reality is setting in that summer break is about gone and back to school is upon us. School returning to session often means earlier mornings, competition for a hot shower, but mostly INCREASED TRAFFIC. It's never more important for drivers to slow down, pay attention, and focus on situational awareness than when children are present – especially before and after school. Some of the following tips are provided by the National Safety Council, and if we work together, we can ensure safety is a top priority near our local schools.

Tips for Drivers:

- Be alert to entering school zones and SLOW down. Obey posted speed limits.
- Leave early to avoid being rushed.
- Do not block crosswalks when stopped at a red light or waiting to make a turn.
- Stop and yield to pedestrians crossing within a crosswalk.
- Never pass a vehicle stopped for pedestrians.
- Do not use a cell phone or other electronic device while entering or within a school zone.

Sharing the Road with School Buses:

- Never pass a bus from behind – or from either direction if you're on an undivided road – if it is stopped to load or unload children.
- If the yellow or red lights are flashing and the stop arm is extended, traffic must stop.
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus.
- Be alert; children often are unpredictable, and they tend to ignore hazards and take risks.

If You're Dropping off:

- Schools often have very specific drop-off procedures for the school year – Know them.
- Do not double park; it blocks visibility for other children and vehicles
- Do not load or unload children across the street from the school

Traffic Safety Enhancements

For the 2026-2027 school year, Trinity Catholic School made several traffic safety enhancements to our property to better protect our students, faculty, parents and visitors. Please see the map and explanations below:

(1 and 2): No parking signs installed. Vehicles are not allowed to park on the north side of Trinity's private drive designed for west bound traffic. This ensures a clear path for emergency responders such as police, fire, and EMS. Vehicles may be towed at the owner's expense.

(3): A crosswalk has been installed in front of our gymnasium to provide all students, athletes, coaches, and visitors with a protected pathway from our parking lot to the sidewalk in front of our gym. *Arkansas law requires motorists to yield to pedestrians within a crosswalk, and it is unlawful to park on or obstruct a crosswalk.*

(4): A "Stop line" was added in front of the crosswalks leading into the building. This gives a minimal four (4) feet barrier for anyone utilizing the crosswalks.

(5): As school dismisses, Trinity's Safety and Security Officer or a faculty member acts as a crossing guard for students and parents crossing both lanes of traffic separating the parking lot and the campus. The LEFT lane is designated for traffic flow ONLY. Please do not drop off or pick up your child from the left lane.

(6): A crosswalk has been installed on the east side of our campus to provide students, athletes, coaches, and visitors a protected pathway from our building to the playground and practice fields. *Arkansas law requires motorists to yield to pedestrians within a crosswalk, and it is unlawful to park on or obstruct a crosswalk.*
