Cultural Event Week - 70 Years of Rosemont - 250 Years of America - Countless Cultures, One Community

For 250 years, America has been shaped by the cultures, traditions, and stories of people from around the world. As Rosemont celebrates 70 years of learning and community, we honor our past, celebrate our diversity, and build our future together. Cultural Event Week for this year will celebrate both anniversaries. The schedule of events includes a bus tour of places of importance in our community and a special tour of the Rosemont In Bloom experience, a storyteller and show entitled America at 250: The Story Is Still Being Written, an opportunity for Rosemont School alumni to visit the building and chat with students, and an Academic Entertainment program titled Uncle Sam's Comedy Jam. Students in all grades will be encouraged to participate in filling a time-capsule to be buried at the new Rosemont School campus, create a 3D diorama of places and things around their community that bring reason to celebrate, and postcard writing sessions to share thoughts about their experiences around Rosemont with others. Our committee has been in contact with representatives at Village Hall and the collaboration was excellent - a special commemorative challenge coin was being minted to allow students a memento of the event. We are grateful for their help in making this Cultural Event something special.

Holiday Concert & Kindergarten Performance

Please join us on Tuesday, December 8th for our Kindergarten performance of "Twas the Night Before Christmas" and our Holiday Music Concert. A schedule of performances and showtimes will be shared closer to the event.
