Summary: "The Night Witches" is a historic and true retelling of the all women bombing regiment for the Soviet Union during WW2. The Night Witches would fly planes made of canvas and wood, and they would drop bombs on Germans every 15 minutes at night to keep the enemy from sleeping. In a time when women were frowned upon to be fighting in war, the Night Witches learned to be brave, confident, strong, smart, and courageous to defend Russia. This play follows the story of a few women through one fateful night during the war and see first hand the wins and losses of war.

Spanish Leadership Conference

Kanoa Levias won a $25 gift card.

The 8th-grade boys attended the Spanish Leadership Conference on Thursday, September 25, in Gering, NE. Some of the activities included, stress management, safety, Native American traditions, and other relevant subjects.

Left to right: Christian Scherbarth, Edelbrock Godbey, Mrs. Sylvester, Andrew Adams, Mason Howell, Kanoa Levias, and Phoenix Jumper.

Butterfly Garden

The butterfly garden was created by the 2024–2025 Experimental Science class, a group of six students: Zaerihya Doncheske, Quinten Koenen, Josie Schneider, Joshua Estrada, Aden Marquez, and Ella Stanley. Their assignment was to develop a project addressing an environmental issue affecting Western Nebraska. The class chose to focus on the decline of pollinator habitats and populations.

Students designed, planned, and presented their proposal to the school board. After receiving approval, they prepared and planted the garden while also reaching out to local businesses for donations and support. With contributions from Brian Armstrong, Melodie Woodworth, Ogallala Bomgaars, Ogallala Ace, Chappell Lumber, Our Lavender Co., Gardener's Paradise, Heubner's Nursery, Julesburg Family Market, and Mr. Essink, the class was able to establish a thriving oasis for butterflies and other pollinators.

NEBRASKA SMART IS A FREE VIRTUAL TUTORING PROGRAM FOR STUDENTS IN GRADES K-12.

NEBRASKA SMART
SUCCESS MADE ACCESSIBLE THROUGH RURAL TUTORING

Teacher education candidates from Chadron State, Peru State, and Wayne State Colleges remotely tutor students in rural Nebraska. This program is currently offering services to:

- All NRCSA member school districts
- Educational Service Unit 1
- Educational Service Unit 4
- Educational Service Unit 13
- Other select smaller rural school districts

Visit our website for the full list of school districts served.

HOW IT WORKS

Nebraska students in grades K-12 have free access to online tutoring with a qualified Tutor in English, math, science, and social studies. Parents must first register their child. Once registered, students can request pre-scheduled appointments with a Tutor or log in and request on-demand tutoring to be connected with the next Tutor available in the queue. Students should provide homework for which they wish to receive help or topics that they would like to cover.

TUTORING HOURS

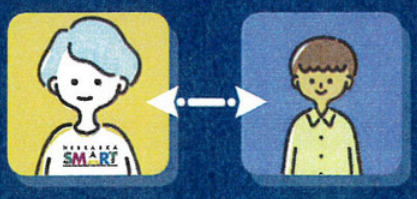

OUR PARTNERS

The Nebraska Department of Education has awarded a grant to the Nebraska State Colleges to develop a program that provides free online tutoring to K-12 students in rural Nebraska.

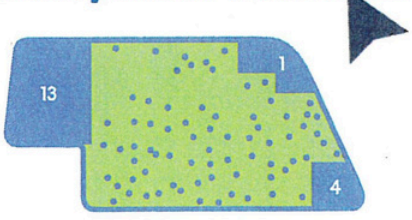

OUR TUTORS

Tutors are full-time students at Chadron, Peru, and Wayne State Colleges who have been admitted to the teacher education program, have completed background checks, and received training through their teacher education program coursework.

NEBRASKA SMART ES UN PROGRAMA DE TUTORÍA VIRTUAL PARA ESTUDIANTES EN LOS GRADOS K-12.

NEBRASKA SMART
SUCCESS MADE ACCESSIBLE THROUGH RURAL TUTORING

Los candidatos a maestros de las Universidades de Chadron State, Peru State y Wayne State College imparten tutorías en forma virtual a estudiantes en las zonas rurales de Nebraska. Este programa ofrece actualmente servicios a:

- Todos los distritos escolares miembros de la NRCSA
- Unidad de Servicio Educativo 1
- Unidad de Servicio Educativo 4
- Unidad de Servicio Educativo 13
- Otros distritos escolares rurales más pequeños

Visite nuestro sitio web para la lista completa de los distritos escolares que son atendidos.

COMO FUNCIONA

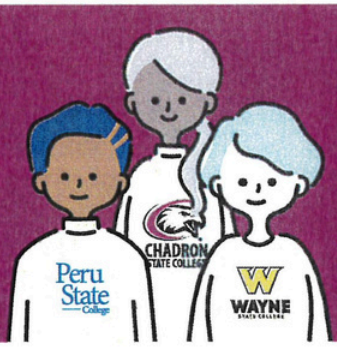

Los estudiantes de Nebraska en los grados K-12 tienen acceso gratuito a tutorías en línea con un tutor calificado en inglés, matemáticas, ciencias y estudios sociales. Los padres deben registrar primero a su hijo. Una vez registrados, los estudiantes pueden solicitar citas previamente programadas con un Tutor o iniciar sesión y solicitar tutorías bajo demanda para conectarse con el próximo Tutor disponible en la lista. Los estudiantes deben proporcionar las tareas para las que quieren recibir ayuda o los temas que les gustaría cubrir.

HORAS DE TUTORÍA

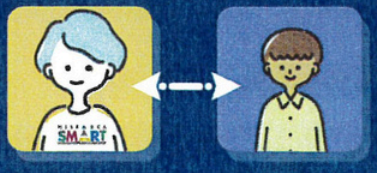

NUESTROS SOCIOS

El Departamento de Educación de Nebraska ha otorgado una subvención a las Universidades Estatales de Nebraska para desarrollar un programa que ofrezca tutorías gratuitas en línea a estudiantes en K-12 en las zonas rurales de Nebraska.

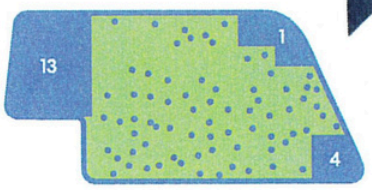

NUESTROS TUTORES

Tutores son estudiantes a tiempo completo en los colegios Chadron, Peru y Wayne State que han sido admitidos al programa de educación para maestros; han completado una revisión de antecedentes; y han recibido entrenamiento a través de su currículo de estudio en educación.
