SANDHILLS CRISIS INTERVENTION PROGRAM

Serving Arthur, Deuel, Garden, Grant, Keith, and Perkins Counties in Nebraska

Online Safety Resources

Tools for Teachers, Parents & Young People

About SCIP

SCIP is a dual domestic violence and sexual assault program committed to the prevention and elimination of interpersonal and family violence in the lives of children, women, and men through empowerment, education, and social action.

Our Services Include: Emergency Shelter • Counseling • Support Groups • Medical Advocacy • Protection Order Assistance • Food & Baby Supplies • Attorney Referrals • Financial Assistance • Education Programs

All services are FREE and confidential. Available 24/7/365.

The following resources have been compiled to help keep children and teens safe online. Whether you're a parent, teacher, counselor, or young person, these tools can help you understand online risks, set up protections, and know what to do if something goes wrong.

Educational Resources & Training

Street Grace Resources

https://www.streetgrace.org/resources

Comprehensive resources for parents, coaches, church leaders, and caring adults. Get equipped to protect children and youth from sexual exploitation with training materials, guides, and prevention tools.

NetSmartz (NCMEC)

https://www.missingkids.org/netsmartz/resources

Free teaching materials from the National Center for Missing & Exploited Children for K-12 students. Offers lessons in digital citizenship and online safety to help create engaging internet safety curriculum.

DHS Know2Protect

https://www.dhs.gov/know2protect/take-action

Department of Homeland Security's national campaign to protect children from online exploitation. Includes action guides, educational materials, and ways to get involved in child protection.

Shared Hope International - Internet Safety

https://sharedhope.org/what-we-do/prevent/awareness/internetsafety/

Internet safety awareness resources focused on preventing child sex trafficking. Offers prevention education and tools for recognizing warning signs of exploitation.

Parent & Caregiver Tools

Michigan OK2SAY Parental Resources
https://www.michigan.gov/ok2say/parental-resources

Comprehensive site with multiple links for schools, parents, and students. Though created for Michigan, the resources are universally helpful for keeping kids safe online.

Bark Resources
https://www.bark.us/learn/resources/

Digital safety resources including guides on monitoring children's online activity, recognizing warning signs, and having conversations about internet safety.

Love146 Caregiver Resources
https://love146.org/caregivers/

Resources for caregivers focused on preventing child trafficking and exploitation. Includes prevention tips, warning signs, and guidance for protecting children.

Internet Matters Advice
https://www.internetmatters.org/advice/

Age-specific advice and guides for parents on keeping children safe online. Covers topics from social media to gaming to online relationships.

Childnet International
https://www.childnet.com

International non-profit working to make the internet a safe place for children. Provides resources for parents, teachers, and young people on digital safety.

ConnectSafely
https://connectsafely.org

Non-profit dedicated to educating users of connected technology about safety, privacy, and security. Offers parent guides, tip sheets, and research on digital wellness.

New York OCFS Online Safety
https://ocfs.ny.gov/programs/youth/online-safety/resources-parents.php

Online safety resources from New York Office of Children and Family Services. Includes guidance for parents on protecting children from online dangers.

Social Media Safety Centers

Snapchat Family Center
https://parents.snapchat.com/family-center

In-app parental tools that empower parents to shape their teens' experience on Snapchat. Allows parents to see who their teen is communicating with and set content controls.

Facebook Safety Resources for Parents
https://www.facebook.com/help/parents/

Facebook's official resources for parents including privacy settings, reporting tools, and guidance on keeping teens safe on Facebook and Instagram.

Reporting & Recovery Resources

Take It Down (NCMEC)
https://takeitdown.ncmec.org

Free service to help remove online nude, partially nude, or sexually explicit photos and videos taken when someone was under 18. Creates a hash of the image without uploading it, then works with platforms to remove matching content.

FBI Safe Online Surfing (SOS)
https://sos.fbi.gov/en/

FBI's free, educational program for children that teaches cyber safety through interactive games and activities. Helps kids learn to recognize and avoid online dangers.

ICAC Task Force Resources
https://www.icactaskforce.org/search-results?sort=Alphabetical&content=Resources

Resources from the Internet Crimes Against Children Task Force, a national network of law enforcement and prosecutors dedicated to investigating and prosecuting those who exploit children online.

School & Community Resources

SchoolSafety.gov Online Safety
https://www.schoolsafety.gov/sites/default/files/2023-06/Online%20Safety%20Resources.pdf

Federal government's comprehensive PDF guide of online safety resources for schools. Includes prevention strategies, reporting protocols, and educational materials for educators.
