## In Memory of Mr. Byers

There are many homes up  
where My Father lives, and  
I am going up there to  
prepare your coming. When  
everything is ready, then I  
will come and get you, so  
that you can always be with  
me where I am.

John 14:2  
The Living  
Bible

An electrical accident claimed the life of Jerry Byers on July 23, 1975. A metal lathe in the Vo. Ag. shop developed an electrical short while it was being moved. Mr. Byers, in his third year at Ellis High was a native of Medicine Lodge, Kansas. He was very active in F.F.A., loved to hunt, fish, and ride horses. The plaque pictured above was presented by the F.F.A. boys in his memory and hangs above the trophy case by the main entrance to the school.

## Toward New Horizons

FHA was very active this year. Their many activities included: a magazine sale, banana-split party, fall conference, Christmas party, secret sisters, state meeting, and the flag assembly at the grade school. All the activities were enjoyed by the members.

LOVE ME ALWAYS . . .

You say you love me, but sometimes you don't show it. In the beginning, you couldn't do enough for me. Now you seem to take me for granted . . . some days I ever wonder if I mean anything at all to you.

Maybe when I'm gone, you'll appreciate me and all the things I do for you. I'm responsible for getting the food on your table, for your clean shirt, for the welfare of your children . . . a thousand and one things you want and need.

Why, if it weren't for me; you wouldn't even have a car. I've kept quiet and waited to see how long it would take for you to realize how much you really need me.

Cherish me . . . take care of me, and I'll continue to take good care of you . . . who am I? I AM YOUR JOB.

The reel is finished and so is the production of the 1976 Railroader. The events of the past year have been recorded for you. Because of this, the events will be easily remembered.

The first reel portrays the formal side of student life and the second reel portrays the active side of student life. Using this method we can portray a more accurate picture of student life.

Putting together a publication is exciting, but a lot of hard work. The staff and photographers must work together as a team to have a successful year. Mr. Staab was the guiding light over all our troubled waters. We would like to express our appreciation to Mr. Staab for sharing his knowledge with us.

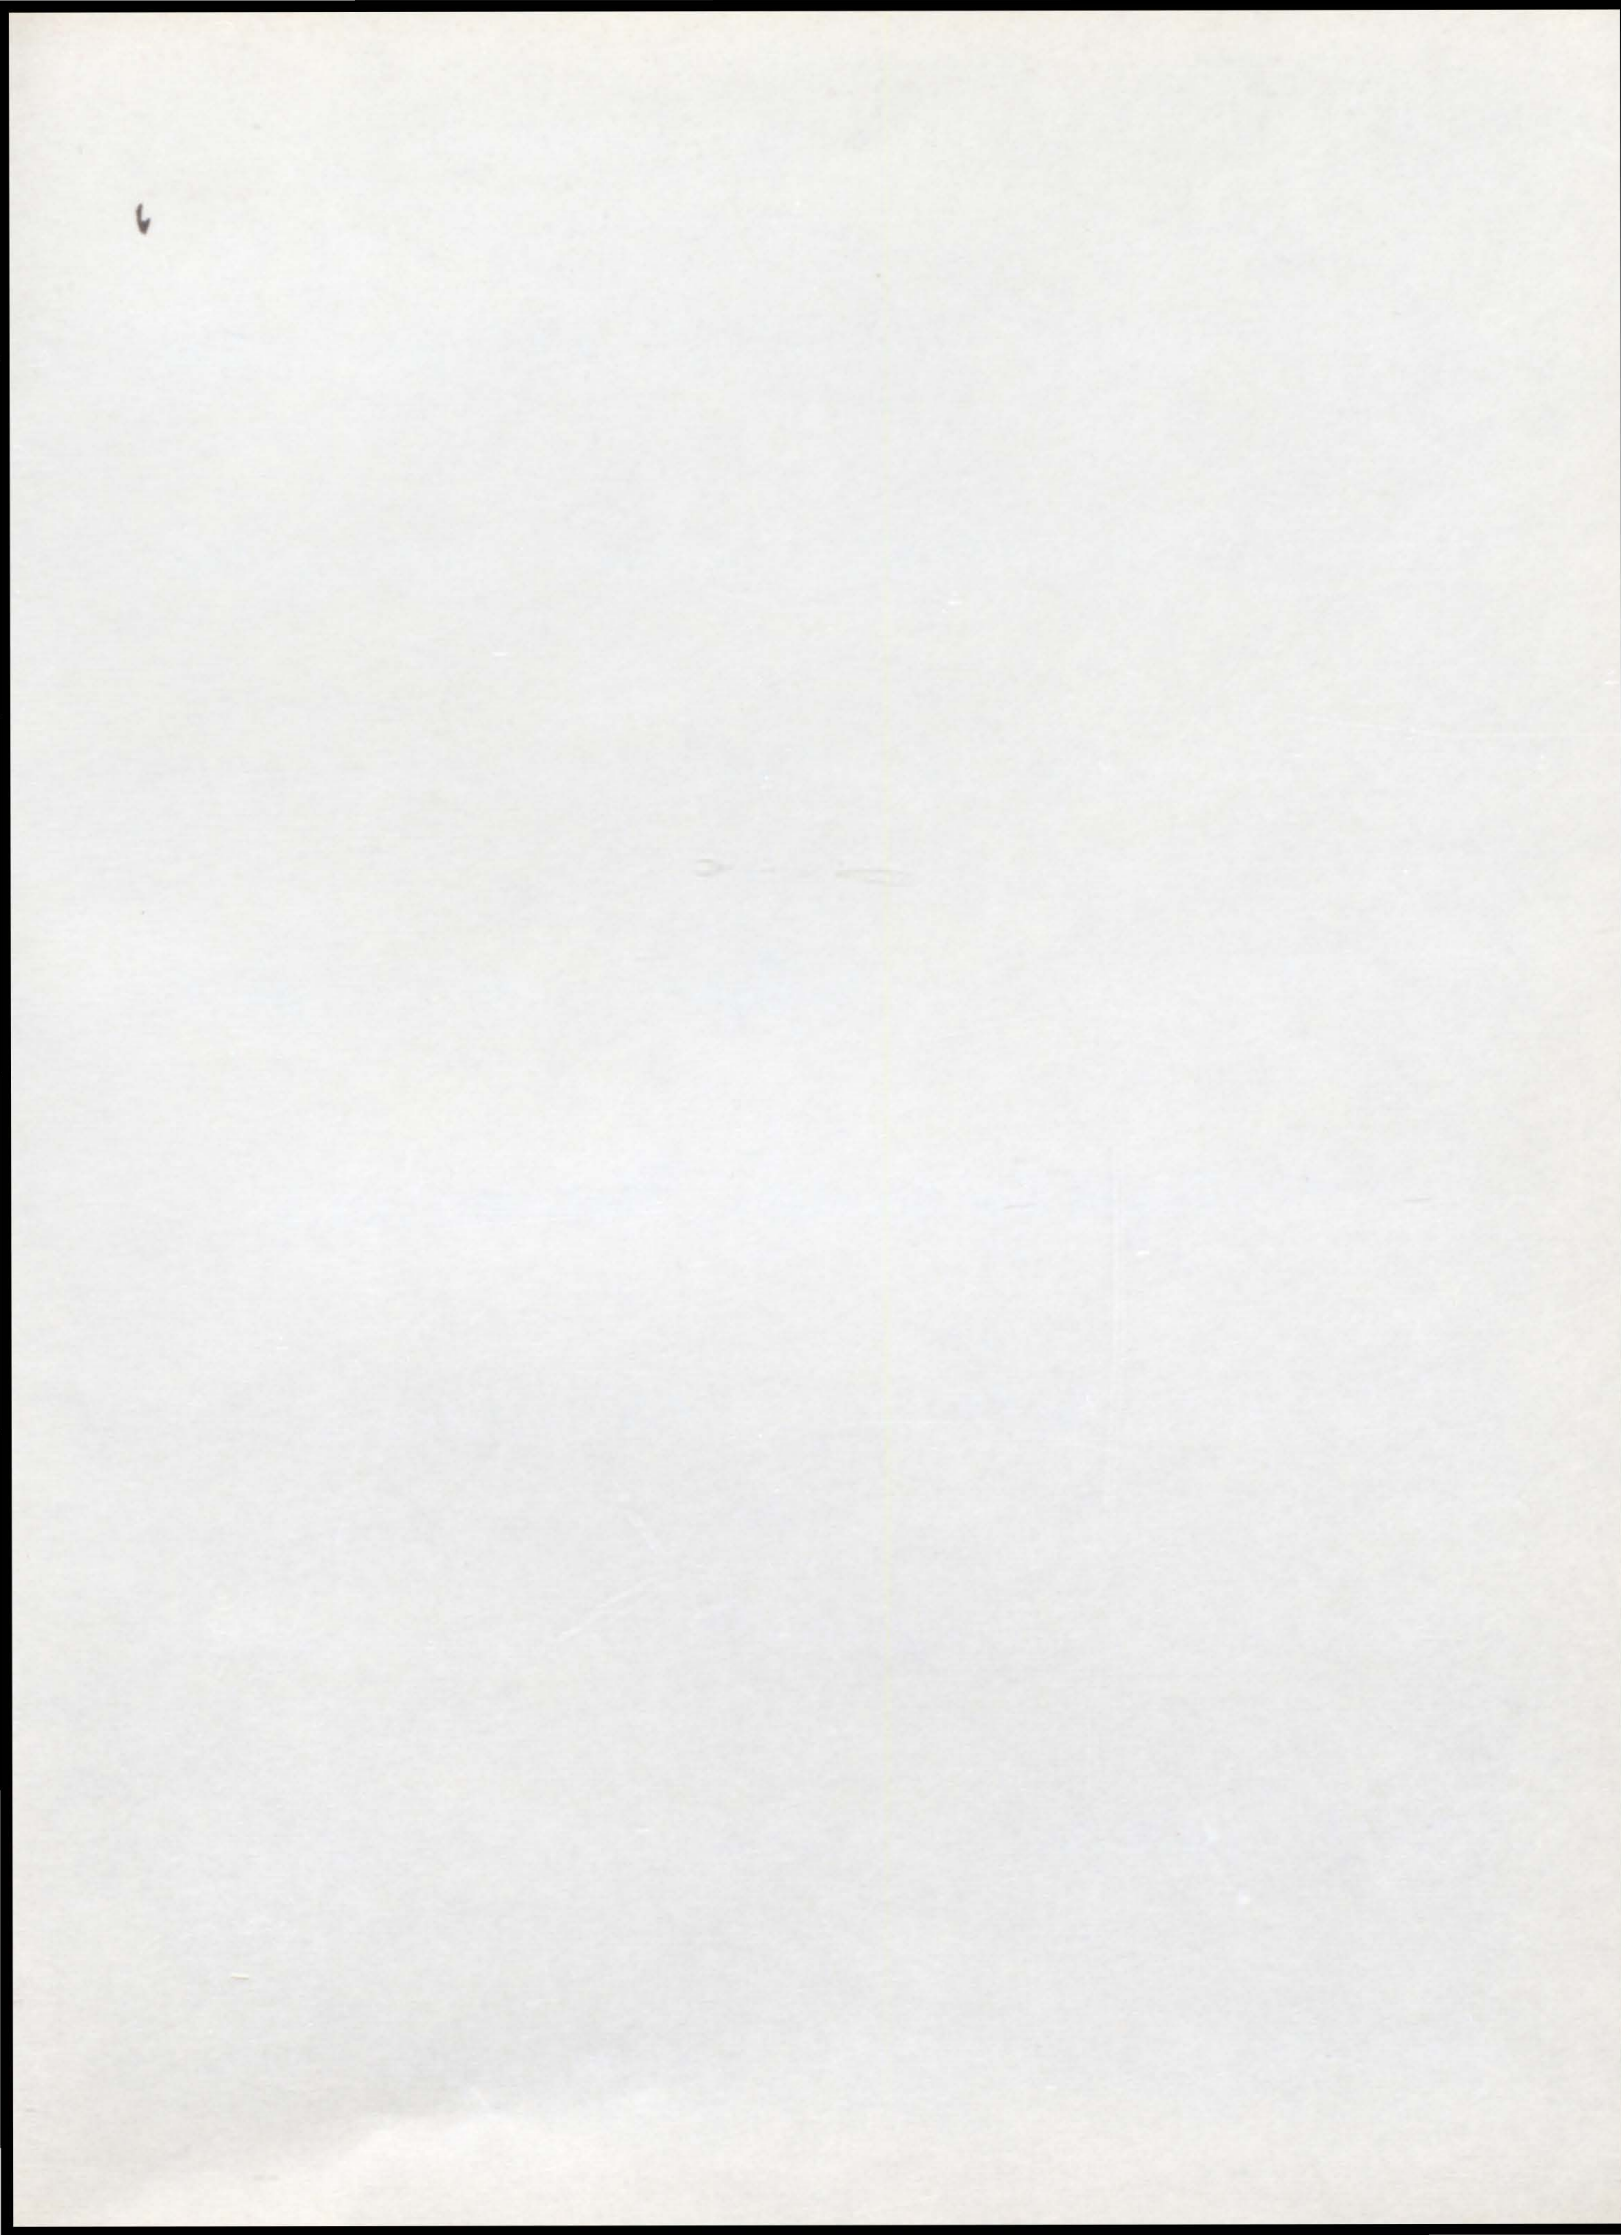

Life has much to share and offer and the yearbook staff is proud to have part in providing just a few reels of life.
