GIRLS STATE MEET INFORMATION

***There will not be a hospitality room for coaches this year. ALL coaches will enter through the hall entry just north of the old hospitality room. ALL athletes will enter through the locker room entrance. HAVE YOUR BADGES ON YOU OR YOU WILL NOT BE ALLOWED IN THEY WILL BE CHECKED AT EACH ENTRANCE.**

***The Swimmer/Scholar Athlete Award application is on the state website. This is for seniors that are at the state swim meet.**

***Relays – coaches are to enter your athlete names on your entries. You are to make changes IF necessary up to the time the relay sheets must be turned in.**

- Kids are to limit their belongings on deck to leave space for athletes on benches and on deck.
- Only coaches whose names are on the roster for their section will be allowed on the deck. (ALL entrances will be manned by personnel looking for 2018 pass.
- A school with a relay team can bring one coach. Co-coaches are to have one coach on the deck and the second in the stands they may rotate during the meet, if necessary, but one coach per school on the deck. Section Coordinators are responsible to monitor their sections coaches and athletes.
- Due to the number last year on deck and the fire code at Ithaca College the limitation of athletes and coaches on deck is a MUST!
- Schools MUST limit any relay alternates to IF at all possible, use an athlete who is already at the meet; if they must bring an alternate only one. When alternates are listed, they are counted into the total number of athletes at the state meet whether they splash or not. This has a huge impact on our total participation of athletes in the meet; we MUST stay between 5-8% participation or we will be required to revamp the entry times. We are currently at 7.4%.
- DIVING SHEETS: Entry sheets Checked by 6:30 p.m. **on Thursday, November 19, 2026.** Refer to Rule Book for Championship Meet "Choice of Dives" (Star Voluntary Dive).
- **NO SHAVING WILL BE PERMITTED AT THE FACILITY FOR THE STATE MEET! (WET OR DRY)**

NYSPPHSA Protocol for Athletes to Qualify for the State Swimming & Diving Championships

- Swimmers will have the opportunity to qualify for the NYSPPHSA/NYS Federation Championship Meet if they meet the event qualifying standard during the regular season.
- Swimmers who have qualified for the NYSPPHSA/NYS Federation Championship Meet are required to participate in their respective Sectional Championship Meet. Swimmers are not required to swim the event(s) in which they have met the qualifying standard. If circumstances out of the swimmers' control, such as injury or illness, prohibited participation in the Sectional Championship Meet, the school may appeal to the Section.
- The Section champion in each event will represent the Section in the NYSPPHSA/NYS Federation Championship Meet. If the champion chooses not to attend the State Meet, the Section may replace the swimmer with the 2nd place finisher only if no other swimmer met the qualifying standard for that event.
- FAT (Fully Automatic Timing) or three (3) handheld watches must be used for the time to meet the qualifying standard. Divers must be scored by NFHS certified officials.
