SCHOOL WELLNESS PROGRAM

NEWSLETTER

SUPPORTING STUDENT HEALTH & WELL-BEING

Dear Concord Community Schools,

Welcome to the Concord School Wellness Program Newsletter!

For those who may not be familiar with us, the Concord School Wellness Program is provided by the Jackson County Health Department in partnership with Concord Community Schools. Our program provides nursing and mental health services to support the health and well-being of Concord students.

We are excited to begin our third year of supporting Concord students and families! Through this newsletter, we hope to keep you informed about important wellness initiatives, upcoming events, and helpful resources available to students and families throughout the school year.

PROGRAM MISSION

Our Approach to Student Wellness

We believe that when students feel their best—physically, mentally, and emotionally—they are more prepared to learn, grow, and thrive. That's why we are dedicated to providing accessible healthcare, education, and mental health support to ensure every student has the tools they need for lifelong well-being.

Whether it's a routine health screening, education, or emotional support during challenging times, our team is here to help. Together, we can build a school community that prioritizes health and wellness in every aspect of student life.

MEET THE TEAM

Your Wellness Support System

We recognize that health and wellness can be daunting, but you're not alone! Our committed team is ready to support students, families, and staff.

- Kymber Stanley, LMSW – Therapist | 517-817-4083
- Nurse – Currently Vacant
- Holly Baker – Program Coordinator | 517-768-1638
- General contact: ConcordSWP@mijackson.org

Need assistance? Have questions? Reach out to us anytime!

A HEARTFELT THANK YOU

As noted above, our nursing position is currently vacant. However, for the past three years, we had the incredible honor and pleasure of being supported by an amazing nurse, Nicole.

Nicole has been instrumental in helping establish the School Wellness Program from the very beginning. Her dedication to our students, commitment to providing exceptional care, and willingness to go above and beyond for the Concord community has made a lasting impact.

We are incredibly grateful for all that Nicole has done for our students, families, and staff. Her compassion, dedication, and positive presence will be greatly missed, and we wish her all the best in her next chapter!

WELLNESS STATS & PROGRAM UPDATES

We are proud to share the impact of our wellness initiatives and student participation. Here's a look at how we've been making a difference:

- 3360 Total Student Visits in the 2025-2026 School Year
 - 2108 Nursing Visits
 - 1252 Mental Health Visits
- 381 Students Accessed Services

Consent information:

Interested in having your student seen at the School Wellness Program? We would love the opportunity to provide support to your student. If you have not already done so, please complete the consent form so that we can begin providing services: <https://form.jotform.com/260574290351051>

Billing:

While this program is no cost to families for services, the program requirements do state that we must bill for mental health services. Worried about your deductible or co-pay for services provided? Don't be – this program will not impact your deductible or co-pays, and no cost should come to you.

NEWSLETTER

HEALTH EDUCATION GROUPS AND STUDENT VOICE

At Concord Schools, we believe that students should have a say in the programs that impact their well-being. Each year, we provide a health education group that provides additional learning for students. We gain insight from students through surveys and data on what topics they feel would be most relevant and beneficial to them.

This year, the student voice led us to provide a health education group centered around healthy relationships and dynamics. This group will be for students in 6th grade and will begin on October 27th. More information will be shared as we get closer to the start date. Students do not have to consent to School Wellness Program services to participate.

UPCOMING EVENTS & CALENDAR

Don't miss out on upcoming opportunities to prioritize your students health and well-being! We have listed a few events that we would love for you to meet us at and/or participate in:

- Want to get to meet us? Would you like to connect on how your student is doing? Join us at fall Conferences held November 11, 2026.
- Want to know more about the School Wellness Program? Have insight on ideas for ways we can improve? Would you like to provide more feedback on how we can better support students? Join us for our Community Advisory Council Meetings. Our next meeting is November 16, 2026, at 5:00 pm on Zoom.

Unable to make these events, but would like to connect further? Contact us at: ConcordSWP@mijackson.org

THANK YOU FOR BEING PART OF OUR WELLNESS COMMUNITY!

At Concord Schools, we are committed to creating a healthy, supportive, and thriving school environment. Your engagement and support helps make that possible.

If you have any questions, need additional resources, or want to get involved in any of our programs, please reach out to us at ConcordSWP@mijackson.org.

Stay well,
Concord SWP Team
