5-Step Process to Address Concerns:

1. **Teacher:** Questions or concerns regarding instructional practices in your child's classroom should first be directed to the classroom teacher.
2. **Principal or Supervisor:** If you do not receive an adequate response or if more information is needed, a discussion should be scheduled with your child's principal or appropriate department supervisor.
3. **Superintendent's Cabinet:** If the principal or supervisor cannot answer your question or concern, please contact the Superintendent's office for a member of the Superintendent's Cabinet.
4. **Superintendent:** If the issue is not resolved, please contact the Superintendent by calling the office at 591-9200 to schedule an appointment by phone or in person.
5. **Board:** The final step, if an issue is not resolved, is with the Beecher Board of Education. The Superintendent can help you to schedule a conference with the appropriate Board Committee.
