Trunk-or-Treat — We Need YOU!

This year, we are bringing Emmanuel & Faith Churches together for a fun-filled Trunk-or-Treat celebration, and we would love to have EF School and Little Blessings Preschool be a part of our event!

Our theme is **BETTER TOGETHER**, because when our families, churches, and school come together, we create something even more special for our kids and our community.

We're looking for families who would be willing to decorate a trunk and hand out treats during the event!

Whether your trunk is simple, spooky, silly, or spectacular, every trunk makes the event better! Let's come together, have some fun, and make memories as one community.

Date: October 25th

Time: 4-6 pm (3:30 Set Up)

Location: Faith Lutheran Church

We can't wait to celebrate with you!

A collection of pumpkins of various sizes and colors (orange, red, yellow) are scattered across a dark, rustic wooden table. Some pumpkins are carved into jack-o'-lanterns with different facial expressions, including one with a wide, toothy grin and another with a more menacing, stitched-together look. The lighting is warm, highlighting the textures of the pumpkins and the wood.
