This year's fall play is "How I Met Your Mummy." The show will be on November 23rd at 7:00pm. Salads will start to be served at 6:30 with the play starting at 7:00. Tickets are $20.00 and can be purchased from FCCLA members until November 18th.

Help the Plankinton FCCLA create the Longest Cereal Box Domino Effect in the District! It's Class vs. Class! Bring in cereal boxes to help your class compete and be part of an exciting school-wide domino effect! Every student who brings in a cereal box can enter their name into a drawing for a chance to win the honor of knocking over the very first box and starting our amazing cereal box domino chain! The big event will take place on November 19th, when we come together to watch our hard work create an unforgettable domino effect! Best of all, all cereal boxes collected will be donated to our local food pantry and Backpack Blessings to help support families in our community. Let's work together, show off our class spirit, and create the longest cereal box domino effect in the district while making a difference in the lives of others! **Collection dates are 5-19 November, and boxes can be dropped off in Ms. Bohr's room.**

The Veterans Day program will be held in the Plankinton gym at 10:00 today, November 11th. There will be a luncheon following the program at the Methodist Church at 11:30. All are welcome to attend.

Payton Nedved is holding a blanket drive to support our Veterans this winter. There is a box located in the front entry of the school. He is accepting new and gently used, clean blankets. This will run through December 15th. Thank you for your support!
