PARKING RULES AND REGULATIONS

1. Students park at their own risk. PSHS, or Mercer County Schools, are **NOT** responsible for any damage that may occur to your vehicle. If you are involved in an automobile accident, **report it to the office immediately.**

2. **Student parking is a privilege and will be revoked for failure to follow the rules. The rules are for your safety and the safety of others.** (student initials_____)

3. The fee for parking is $75 per year, per student, and must be paid before a tag will be issued.

4. **Students with parking permits may NOT leave campus, unless they have an approved early dismissal, or until their classes are over for the day. Leaving school grounds without permission may result in a suspension/loss of driving privileges.** The first offense will result in an in-school suspension. Additional offenses will result in the suspension/loss of driving privileges. (student initials_____)

5. **Students are to park their vehicles and proceed to the building upon arrival. Once on school property there is to be no loitering in or around vehicles.** (student initials_____)

6. **If students need to go to their vehicle during the day, permission must be granted by an administrator. Going to your car throughout the school day without permission will result in consequences and/or the loss of driving privileges.** If another student goes to your car without permission from the office, both students will receive disciplinary action. (student initials_____)

7. The speed limit in a school zone is 15 mph; however, in the **school parking lot, it is 5 mph**. Speeding and reckless driving is not only dangerous but against the law. Speeding and reckless driving may result in the suspension/loss of driving privileges. The first offense will result in a lunch detention, at minimum.

8. Students may not let others park in their assigned space. The parking permit is nontransferable.

9. A parking tag must be displayed to be admitted to the parking area. It is the responsibility of the driver to have it displayed. If you lose your tag, a replacement will cost $5.

10. If someone parks in your assigned space, see an **administrator**. Please do **NOT** park in another space without permission from the office.

11. **Illegal parking may result in your vehicle being towed at your expense.** (student initials_____)

12. **Once again, student parking is a privilege and students are expected to be at school and on time. Disciplinary action will be taken for unexcused tardiness to school following Board Policy J-10. Excessive tardiness may also lead to the loss of driving privileges.** (student initials_____)

13. State law requires that counties provide free transportation to school for students. As a courtesy to students and parents, the school administration may permit students to drive to school. In exchange for the privilege of driving a privately-owned vehicle to school, students and parents are hereby notified that the administration, with reasonable suspicion, may search any vehicle that is parked on school property at any time, with or without advance notice to the parents or students. (student initials_____)

* Violation(s) of rules 5, 6, 8, and 9 will begin with a warning. Consequences will progress with each offense.

By signing below, I acknowledge that I have fully read, understand, and agree to the rules and regulations listed above.
