In Support of Pride of Westmoreland Marching Band and Westmoreland Winterguard

July6,2026

Hello,

I am excited to share with you that the Pride of Westmoreland Marching Band is hosting a marching band competition this year – our **first ever** – on October 10, 2026! The inaugural *Waves of Sound* Marching Band Competition will be held on our new turf field, and we are excited to welcome seven bands to the competition, with an estimated audience of more than 1,500 people.

This activity and event means a great deal to our students. Our band is a place where lifelong friendships are forged and memories are made. It is one of the few activities that can unite across six grade levels and every social group. We have members in nearly every sport, club, leadership position, and activity in Westmoreland. While we are a small school, our marching band is at the very heart of this community and is truly something special.

I am reaching out today because we need your help. As you might imagine, hosting a marching band show is an enormous undertaking. As the marching band's fundraising machine and a registered 501(c)3, Pride Pack Inc. is gathering community support to help make this event possible. Enclosed you will find a variety of ways to contribute, including sponsorship opportunities, raffle basket donations, gift cards, products, and in-kind donations.

Please consider donating to help our children and this very worthy cause. Your support would be greatly appreciated and will make a meaningful difference for our students. Thank you so much for your time and consideration, and please feel free to reach out with any questions. We hope to hear from you soon!

Thank you,

Pride Pack
