Date: October 22, 2026

We will be offering classroom instruction for Drivers Education in Nov/Dec. Students will be placed on class rosters in order that paid registrations are received. Please provide on Registration with a good email/phone number as to receive the students' E-Card to continue the process.

Students receive an E-Card upon completion of the Driver's Education course, which indicates successful completion of Minnesota Department of Public Safety Driver Education (30 hours class time and passed the class.).

Upon completing behind the wheel instruction, students receive an E-Card, which indicates Minnesota Department of Public Safety Driver Education Certificate of Completion (6 hours behind the wheel instruction.).

Fees for Driver's Education are as follows:

$400.00 Driver Education – Classroom Instruction = E-Card, Behind the Wheel = E-Card

Payment may take place in the following manner:

$200.00 paid with class registration, an E-Card is received after completing classroom instruction
