- Graduation rate and ACT index both grew

School Spotlights

All schools either grew or maintained letter grade

Natchitoches Central High School is in top 20 for overall performance growth

Historical Acheivements

- Highest district performance score in history: Only 3.6 points from an “A” Letter Grade on the new accountability simulation
- Moved from the 43rd district in 2020 up to 22nd in 2025
- Maintained a “B” rating, even with the transition to a new more rigorous accountability scale
- Increased from two “A” schools in 2020 to now six in 2025
- 5.5 points above the state average, and we grew 1.3 points more than the state this year
- Since 2021, the state’s overall performance grew by 5.6 points, while NPSB grew by 13.5 points
- 7th in state overall for Special Education Performance
