APPLICATION FOR ENROLLMENT

Tuition Requirements: Tuition is $2,400 for the first child, $1,900 for the second and third child, and $1,400 for any additional children per year. Tuition is due monthly and billed by Northwestern State University, Fiscal Affairs. An installment plan is available for an additional fee; all tuition must be paid by May 1st of the school year. A $130 supply fee is due at the time of enrollment.

IMPORTANT: **For an application to be considered for enrollment, all fields must be completed. A proof of residency (current utility bill), recent test scores (Grades 3-8), and current report cards (Grades 1-8) must be attached. Incomplete applications will not be considered for enrollment. Applications must be updated on a yearly basis with current records in order to be considered for enrollment.**

I understand, expect, and hereby authorize the use of my child and the child's school records for tesIng, observaIon and class videotaping, and experimental research as needed by university personnel and University students as approved by the University. I hereby agree to pay the tuition and supply fees that are required for admission and continued enrollment in Elementary/Middle Laboratory Schools.

By my signature below, I attest that the information provided on this application is true and valid. I understand intentional misrepresentation of information is not legal and will permanently disqualify my child from attending the school.

_____ (initial) I am prepared to pay the full amount of tuition of $2,400 per year if enrolled.

_____ (initial) I also agree to pay all other outstanding balances due to Northwestern State University in connecIon with any service/s provided by the University to me, my family or anyone else from whom I am the appointed legal guardian. I understand that if I become delinquent in Lab School scheduled payments or if any other outstanding balances due to Northwestern State University are not paid in full by the deadline, my child will not be included on the roll to attend the Elementary or Middle Lab School for the upcoming school year.
