

GARRARD COUNTY SCHOOLS Online Registration

**TIP: Complete registration on a computer or chromebook, not a mobile device.*

These steps are only for parents with current district students (you may add new non-district students here if you already have district students in the system).

Completely new students will need to contact the School Office.

STEP 1

Go to <https://www.garrard.k12.ky.us/>
> Infinite Campus Parent Portal (white button bar on homepage)

STEP 2

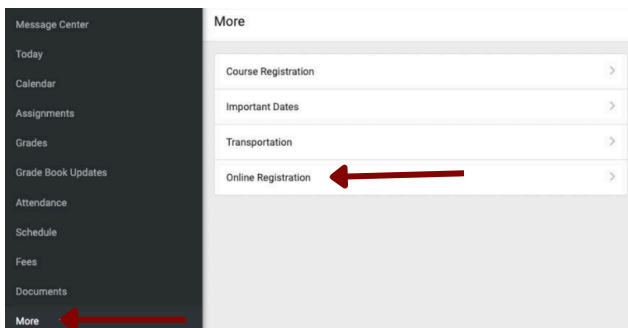

Choose Campus Parent and sign in to your account.

If you have forgotten your login information, click here.

If you do not have an account, contact your school.

STEP 3

From the left hand menu, choose More > Online Registration.

STEP 4

Choose 2026-27 Existing Student.

This link can be chosen if **1)** You have students currently enrolled in the district, and/or **2)** You have students currently enrolled in the district and are adding a *new to the district* student.

STEP 5

Review the students included in your application. Then click Begin Registration.
