August 2026

Dear Maryvale Families,

We hope this message finds you well and that your school year is off to a great start. We want to thank you for your ongoing support and feedback, especially regarding our morning arrival procedures. Your input is incredibly valuable, and after listening carefully to your suggestions and concerns, we're implementing several important updates to help ensure a smoother and safer arrival for all.

Important Drop Off Information:

- **New Sidewalk Installed:** A sidewalk has been added along the drop-off lane to provide a safe walking path for students exiting vehicles.
- **Updated Signage:** Clear and visible signage will guide vehicles and pedestrians to ensure everyone knows where to go and what to expect.
- **Front Island Area Closed:** The front island area in front of the school will now be closed to foot traffic during arrival.
- **All Students Must Use the Drop-Off Lane:** Students must now be dropped off through the designated drop-off lane only. For safety and efficiency, families will no longer be permitted to park and walk students to the Front door.
- **If Dropping Off a Pre-K or Special Class Student:** Please proceed to Door 7 in the back of the building. You must find a designated parking spot and then walk your child to the door.
 - **Pre K Drop Off at 8:35-8:45**
 - **Special Class Drop Off at 8:45-9**

What to Expect:

Staff members will be present along the drop-off lane and on the sidewalk each morning to assist children as they exit vehicles and safely make their way into the school building. We are confident this will create a safer and more streamlined arrival experience for everyone.

Need to Park?

If you need to visit the main office in the morning, see the school nurse, or drop something off, **parking will be available in the back section of the front parking lot.** Please do not park in the bus drop-off lane or in areas not designated for visitor parking. Parking in the front Fire Lane is never permitted.

We appreciate your cooperation and support as we work together to provide a safe and efficient arrival process for all students.

Thank you for your ongoing support,

Dr. Kristen M. Hada
Primary School Principal
