USEVS School Facility Dogs

Upper Sandusky Exempted Village Schools are fortunate to officially have two **permanent** School Facility Dogs placed in the district. **Lira became a permanent SFD for the district this past December, while Fiesta has been a permanent SFD since June of 2024.** These dogs provide benefits including reduced stress, improved physical and emotional well-being, lower blood pressure, decreased anxiety, improved self-esteem and normalization of the environment, and increases the likelihood of successful academic achievement for students.

Lira has been placed at South and East Elementary with School Counselor, Katie Kline and Intervention Specialist, Amanda Barth

Fiesta has been placed at Union School with School Counselor, Andrea Dunn and P.E./Health Teacher, Catie Richman

We recognize that families may have questions or concerns related to allergies, fears, or other considerations. We encourage anyone with concerns to reach out to the school counselors, who are happy to collaborate and ensure appropriate support and accommodations are in place for all students and staff.

Additionally, community members who are interested in supporting our School Facility Dog program are invited to contact the school counselors for more information. Contributions help offset costs associated with veterinary care, wellness visits, food, grooming, basic daily needs, and other resources necessary for the successful placement and ongoing care of the dogs. Community support plays an important role in sustaining this valuable program.

We are grateful for the continued partnership and support that helps make our School Facility Dog program a positive and successful experience for our school community.

- For East, South, and USMS students, contact Katie Kline at katie_k@usevs.org
- For Union Elementary, and USMS students, contact Andrea Dunn at andrea_d@usevs.org

You may also speak to either counselor via phone by calling your child's building.

Mission Statement: The mission of the Upper Sandusky Schools is to provide a safe, child-centered and developmentally appropriate environment where learning is a positive, exciting,

District News

Having healthy choices at school helps keep our children healthy and ready to learn. The school wellness policy helps our school create an action plan for nutrition and physical activity at school. Parents, school staff, and the public can share their opinions and help make sure the policy is meeting the needs of our students. Upper Sandusky School's wellness policy is available by clicking the link below.

https://go.boarddocs.com/oh/upsan/Board.nsf/goto?open&id=C2XSXP6DAF09

Please email comments about the wellness policy or nutrition and physical activity to:
renee_g@usevs.org - Gina Lewis, Director of Food Service

District Testing Information

Our test schedule for 2025-2026 is as follows:

Grade(s)	School(s)	Test	Date	Make-ups
11 (only if signed up)	USHS	ACT	February 24	March 10, March 24
11-12	USHS	Seal of Biliteracy	March 26	As needed
3-5	East, South, Union	ELA part 1	April 14	Through April 24
3-5	East, South, Union	ELA part 2	April 15	Through April 24
3-5	East, South, Union	Math part 1	April 22	Through May 6
3-5	East, South, Union	Math part 2	April 23	Through May 6
5	East, South, Unio	Science part 1	April 28	Through May 6
5	East, South, Unio	Science part 2	April 29	Through May 6
6-8	USMS	ELA part 1	April 8	Through April 24
6-8	USMS	ELA part 2	April 9	Through April 24
6-8	USMS	Math part 1	April 16	Through May 6
6-8	USMS	Math part 2	April 17	Through May 6
8	USMS	Science part 1	April 28	Through May 6
8	USMS	Science part 2	April 29	Through May 6
10	USHS	ELA 2 part 1	**April 8	Through April 24
10	USHS	ELA 2 part 2	**April 9	Through April 24
9-10	USHS	All Math tests part 1	**April 22	Through May 6
9-10	USHS	All Math tests part 2	**April 23	Through May 6
9/11	USHS	Am History/ Gov't parts 1&2	**April 28	Through May 6
9	USHS	Biology parts 1&2	**April 29	Through May 6

For high school ONLY, we will follow a 2-hour delay schedule for all NON testers

USMS

As we approach the midpoint of the school year, a reminder that December 19th marks the end of the second grading period. Grade cards will be mailed home the week of January 12th.

Winter sports are in full swing, and our band and choir delighted audiences with concerts during the week of December 15th.

Our 4th–8th grade RAM Leadership Group has been busy spreading school spirit—creating Halloween cards for all staff, followed by festive holiday cards in December complete with a special treat. Looking ahead, many of our 6th–8th grade leaders will begin supporting elementary classrooms in January, where they'll read with younger students, practice math facts, assist teachers, and serve as positive role models for our elementary learners. #Ram Pride. - Patty Parrot, USMS Principal

High School Events

The Spirit of Giving: Embracing Our RAM Values with Choices that Matter

"It is our choices that show who we truly are." J.K. Rowling

As winter settles in, our students at Upper Sandusky High School are exemplifying the **Portrait of a RAM** through various community involvement initiatives. Each activity not only supports those in need but also integrates our core character traits: ***Communication, Integrity, Responsibility, Adaptability, and Critical Thinking***. Here's a glimpse into how our students are making a difference this season.

Food Drive for Local Food Pantries
Our annual food drive encouraged students to take responsibility for collecting non-perishable food items to support local food pantries. ***Integrity*** shines through as they work to ensure that every can donated goes to a family in need.

Hygiene Drive
One of our student groups have organized a hygiene drive to gather essential items like soap, toothpaste, and toiletries. This initiative highlights their commitment to ***responsibility*** in caring for the well-being of our community members.

Pajama Drive
Embracing the cozy spirit of winter with a Pajama Drive, collecting pajamas for children in need. This heartwarming effort showcases their ***adaptability***, as they creatively engage in collecting for those in need.

Coat Drive
As temperatures drop, one student's Coat Drive aims to ensure that everyone stays warm. She was very proactive in spreading the word, demonstrating both ***integrity*** and ***communication*** skills as she encouraged her peers to contribute.

Animal Shelter Drive
Another creative donation drive was designed to benefit our local animal shelter. By collecting warm blankets and towels, these animals will be more comfortable as they wait for their forever home.

Toy Drive
A Toy Drive collected new toys for families struggling financially during the holidays. Students have shown incredible ***responsibility*** by organizing drop-off locations and communication by spreading the word about the drive.

Holiday Cards for the Elderly
Our students have crafted heartfelt holiday cards for the elderly in local nursing homes, promoting ***communication*** and connection. This initiative reinforces our commitment to ***integrity***, as students take the time to spread joy to those who may feel isolated during the holidays.

Participation in Local Christmas Events
Students have actively participated in local Christmas events, such as the Secret Santa event at the local library. Their involvement highlights not just ***adaptability*** in navigating various activities but also fosters ***communication*** with diverse audiences.

Choir Performance at the Rotary Club Fundraiser
Our school choir recently performed at a local Rotary fundraiser, demonstrating both musical talent and dedication to ***community*** service. By participating, they exemplified ***responsibility*** and ***integrity***, using their voices to support a worthy cause.

Holiday Jazz Tour for Elementary Students
The Holiday Jazz Tour brought joy to our elementary students, enhancing their appreciation for music while promoting teamwork. This event promotes ***critical thinking*** as students learn to collaborate creatively.

Winter Band Concert
Even though our Winter Band Concert had to be rescheduled due to illness, we quickly adjusted and held the concert during the school day and recorded it for those who couldn't make it in person. The ***adaptability*** everyone showed for this unexpected event was humbling and we got to enjoy some great holiday music on top of it!

One key aspect of all these initiatives is the power of choice. Each student chooses to give their time, energy, and resources, making a conscious decision to engage with and uplift our community. As J.K. Rowling said, ***"It is our choices that show who we truly are."*** This choice illustrates the core character traits we uphold: ***responsibility*** in their actions, ***integrity*** in their intentions, ***communication*** in an effective and positive way, ***critical thinking*** when looking at what our community needs, and ***adaptability*** in approaching various needs.

As we move into the new year, we encourage our students and their families to continue this culture of giving. The joy derived from giving not only impacts those on the receiving end but also produces a warm, fulfilling feeling within ourselves, even on the coldest winter days. Let's embrace the spirit of generosity and carry it forward, making it a part of our everyday lives and instilling these values in future generations.

With something to think about,

Corrina Waggy, USHS Principal
Where **EVERY**day is a **GREAT** day to be a **RAM!**

High School Counseling Dept.

Academics: The first semester has come end on December 19, 2025. If a student failed a course in the first semester, then it will be necessary to work out credit recovery in order to be on track for graduation. We will be meeting with students who have failed courses to discuss credit recovery options. Please be sure both parents and students are checking PowerSchool to check student's grades. If you need login information, please contact the school counseling office.

College Credit Plus Second Semester Schedules: If you are taking a CCP course (or courses) during the second semester, please submit a copy of your college course schedule to the school counseling office right away!

Sentinel Applications: All Sophomores, any Freshmen interested in cosmetology, and any Juniors interested in a senior-only program who wish to apply to Sentinel Career Center for the 2026-2027 school year must have their applications submitted online by the February 6, 2026, priority deadline. All applications received by this date will be processed for acceptance and determination of program eligibility. Applicants will be accepted after this date on a "space available" basis. Please understand that an application does not guarantee acceptance into the desired program. Applicants can help their chances by making sure they are caught up on their credits and achieve junior status. Good attendance should also be a priority.

Please use this website to apply:
http://www.vscc.k12.oh.us/

College Credit Plus (CCP) - The College Credit Plus Information Meeting for the 2026-2027 school year is now live and ready for viewing. This can be found on the USHS website by clicking "Menu" and then "College Credit Plus (CCP)". Students (AND their parents/guardians) wishing to participate in College Credit Plus for this upcoming summer and the 2026-2027 academic year are required to do the following:

1. Watch the recorded presentation that is available on the school counseling website. This presentation reviews the CCP program as a whole, including the benefits and potential ramifications of the CCP program.
2. Complete the "Intent to Participate" Google form (also available on the USHS CCP website) after both the student and parent/guardian watch the recorded CCP Presentation. This is due by **APRIL 1st, 2026**, and is a state-mandated requirement, so **late intent forms will not be accepted.**
3. If you are planning to take a University of Findlay course held AT USHS next year, applications must be submitted by **June 1st, 2026 for priority consideration.** Please note that for the 2026-2027 school year, all CCP courses held AT USHS will be through the University of Findlay. These courses and their course descriptions are listed within our 2026-2027 Course Selection Guide.
4. If you are planning to take a class on a college campus or online, you must abide by that college's specific application deadlines. It is the student's responsibility to obtain admission requirement information, submit materials, and meet application deadlines. Regardless of individual college deadlines, all application materials must be submitted before summer break.
5. Stop by the school counseling office if you have any questions.

Scheduling - Students will start selecting their courses for the next school year toward the beginning of January. Your student has access to an online copy of the 2026-27 Course Selection Guide that outlines the requirements for graduation, as well as other pertinent scheduling information. Students looking to attend college after graduation, play a collegiate sport, earn college credit during high school, or receive an honors diploma should thoroughly review those topics in the course selection guide. Careful course selection is extremely important for these particular goals. We would be happy to answer any questions that you or your student may have about scheduling.

Scholarships - The 2026 Scholarship Handbook, special scholarships, W9, and unified application were all sent electronically to all senior email accounts, and paper copies were made available in the school counseling office. **For your convenience, we have also posted the Scholarship Handbook and applications on our website!** This can be found by going to the high school website, clicking on "Menu" and then clicking on "Guidance", and then clicking "Local Scholarship Handbook" and "Scholarship Applications." In addition to the Scholarship Handbook, students and families will also find uploaded copies of the Unified Application, W-9 tax form, and all of the Special Scholarship Applications on this page. **Please keep in mind that all scholarships are due into the school counseling office by February 2nd, 2026, at 3:00 pm-- no exceptions!** Students can also utilize www.fastweb.com and www.goingmerry.com to search for scholarships, and we highly encourage students to check with their particular college(s) for additional scholarships.

ACT Prep - Using the website, www.ohiomeansjobs.com, students have access to free career interest inventories, ACT prep and practice tests, job and scholarship searches, interviewing practice and much more! This is a very valuable resource for all students to explore. ACT Academy also provides free ACT practice and preparation and can be accessed at: https://academy.act.org/

DEALING WITH STRESS

What is stress? Stress is your body's reaction to change, demands, or difficult situations. Stress is a part of everyday life, but too much stress can have a negative impact on your life.

Here are some indicators of stress:

- Often feeling overwhelmed
- Having trouble sleeping
- Getting a lot of headaches or stomachaches
- Having a hard time relaxing
- Eating too much or too little
- Feeling dread or panic when thinking about everything you have to do

Have you been feeling more than a few of these? Here are some ideas on how to reduce the stress in your life:

- Relax/ Meditate- Close your eyes, imagine a relaxing scene, and breathe deeply. Breathe in, count to four, exhale. Repeat.
- Take care of mind and body- Get plenty of sleep, eat healthy, and exercise.
- Take time for yourself- Do something that has made you feel calm or happy in the past. Listen to music, go for a walk, play with a pet, and spend time in nature.
- Get support- Confide in others when you're feeling stressed. Whether it's a friend, family member, spiritual leader, or counselor, it's much healthier to share your concerns than it is to go it alone.
- If it's beyond your control, let it go- If you are stressed over things you cannot change, let those worries go completely.
- Confront your stressors- Make a list of the things that are stressing you out and determine how each can be dealt with. Coming up with a plan will also help you feel empowered and less overwhelmed.

If you are experiencing a lot of stress, know that there are resources available to help you. Call, TEXT, or CHAT 988 for the Suicide and Crisis Lifeline.

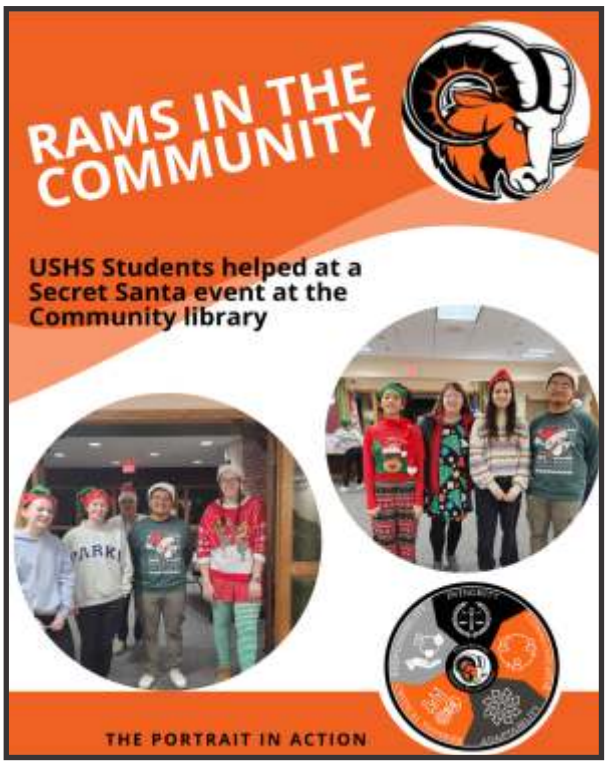

As always, if you have any questions, please feel free to contact us at:

The Portrait in Action - Community Engagement

Two years ago, we reached out to our community to help shape our Portrait of a RAM, highlighting the top 5 character traits essential for our students. While "Be a good community member" came in a close 6th, it remains a vital value. Join us as we showcase how our students are actively participating in the community and how our community enriches our schools!

In case you missed the announcement, the Senior Class of 2026 has voted:

Class Color: Baby Blue (and Gold Accents)

Class Flower: Sunflower - meaning Happiness and a Bright Future

Class Song: Landslide by Fleetwood Mac

Quote: Life moves pretty fast, if you don't stop and look around once in a while, you might miss it. -Ferris Bueller

Also congratulations to students **Sergio Espinoza** and **Madison Hart** for being elected this year's class graduation speakers.

The keynote speaker is **Mr. Graham Treadway.**

USHS Students of the Month

October students of the month: Freshman - Madison Miles, Sophomore - Kendall Bishop, Junior - Addison Niederkohr, Senior - Madelyn Coughlan.

November students of the month: Freshman - Lily Walton, Sophomore - Alex Gelbaugh, Junior - Baylee Barness, Senior - Arielle O'Flaherty.

USHS One School, One Book

USHS students and staff spent five weeks in October and November reading a mystery novel together. The book *Truly Devious* features a two part murder mystery set in the 1930s and the present day at a boarding school in Vermont.

On November 24, students had the opportunity to have a question and answer session with the author, Maureen Johnson. She connected with us online from her home in New York City. She shared background about her novels and the writing process along with tips for students who want to become writers.

Students and staff also participated in a scavenger hunt for clues and other activities throughout the timeframe. Johnson donated signed copies of her novels which were awarded from a raffle of students who attended the author talk or completed the scavenger hunt.

The entire school celebrated finishing the book with a mystery movie in the auditorium on November 25. Students enjoyed complimentary popcorn and water while watching. - Chris Lininger

Update from Upper Sandusky FFA

Welcome to 2026! In this new year we give thanks to everyone who has provided support and encouragement over the past year. On behalf of the FFA, we want to thank the community for your support of our fundraisers, our activities, and our students. We want to thank the parents for coordinating fundraisers, picking up students from activities, and running out at the last minute for a needed item that you were just told about. We also want to thank the students for working hard at competitions, community service, and FFA activities. Here is an update on some of our activities…

Both the advanced and novice parliamentary procedure teams qualified and competed in the state contest in December. The advanced team placed in the top 10 teams in the state and the novice team also placed in the top 10 teams in the state. Both teams competed in the semi-finals, learning valuable lessons in public speaking, how to run a meeting properly, and how to think on their feet during debate. Members of the advanced team were: President Kelsy Frey, Secretary Ella Frombaugh, and Members Trey Johnson, Kiarie Williams, Bryn Cundiff, and Emma Shumaker. Members of the novice team were: President Will Leightey, Vice President Makenna Rall, Secretary Lanie Dranell, Treasurer Maria Kinley, Reporter Carter Brunson, Sentinel Soloman Brown, Student Advisor Kinsley Swavel, and Member Tucker Thiel.

The FFA motto is Learning to Do, Doing to Learn, Earning to Live, and Living to Serve. FFA members are Living to Serve the community during the holiday season this year through various activities. FFA members oversaw and set up an area for the Fantasy of Lights display. Members also worked as candy cane greeters during the Fantasy of Lights drive through times. 47 members worked 24 different shifts, providing 97.5 hours of community service to Fantasy of Lights. 14 students also volunteered to ring bells for the Salvation Army out at Wal-Mart and provided 21 hours of community service to the Salvation Army. In addition, members coordinated a food and hygiene drive for the Open Door Resource Center and challenged the Mohawk FFA to do the same in their community. A total of 1182 items including diapers, toilet paper, body wash, cereal, fruit snacks, etc. were collected and donated along with boxes of fresh citrus and apples to Open Door. The Mohawk FFA collected 779 items to donate to the Mohawk Community. We would like to thank our FFA members, teachers, and students in Mrs. Herring's class at East Elementary for supporting this collection.

As we head into this new year, the FFA is busy preparing officer books and award applications for district and state evaluation. The reporter will submit the Reporter's Scrapbook, the secretary will submit the Secretary's Book, and the treasurer will submit the Treasurer's Book to be evaluated at the district level. In addition, we have numerous students applying for State and American FFA Degrees and submitting Proficiency Awards to be evaluated at the state level. We've started planning for our upcoming FFA Week and Chapter Degree Ceremonies as well as preparing for public speaking competitions, Greenhand Quiz, Farm Business Manage-ment, and Ag Power CDEs, and various spring CDE teams. We have FFA members involved in Equine Management, General Livestock Judging, Dairy Cattle, Agronomy, Poultry Management, Nature Interpretation, and Wildlife Management during the spring CDE season. We wish good luck to all students as they begin the competition season!

Thirty-three first year FFA members will be receiving the bronze pin of the Greenhand degree at our Greenhand Ceremonies in late January. The novice parliamentary procedure team will begin the evening with opening ceremonies, the officer team will conduct the official Greenhand Ceremony, five members will recite the FFA Creed, and a state FFA officer will speak to the Greenhands. The Greenhand Degree is the first degree a member can earn in the FFA and we welcome our newest FFA members to the Upper Sandusky FFA Chapter.

Strawberries go on sale on January 21. We will be selling various cheese packs, beef sticks, beef jerky, and summer sausage along with the strawberries and candy from Coon's Candy. Make sure you contact the FFA if interested. Strawberries will be potentially delivered March 9. Strawberries are on sale through February 14. Contact the school or any FFA member to order. Information will be on Facebook and an order form can be emailed to you. Thank you to everyone for your continued support of the students and the FFA program.

Here is to hoping that 2026 will bring us all health, happiness, and success.

To give back to the community during the holiday season, FFA members have been ringing bells for the Salvation Army, volunteering for Fantasy of Lights, visiting Vancrest nursing home, purchasing Angel Tree gifts, and collecting hygiene items for Open Door Resource Center.

- Anna Cresswell, FFA Advisor

FULL COURT PRESS

Upper Sandusky Boys Basketball Newsletter
November 2025 – Edition #8
Head Coach: Jeff Winslow

A MESSAGE FROM COACH WINSLOW

Hello, and thank you for taking the time to read this month's update on our basketball program.

Over the past few weeks, our team has been very active both on and off the court.

We recently held our Annual Moms Practice, one of the most enjoyable and long-standing traditions in our program. The moms jumped right in, brought great energy, and had a blast competing with their sons. A special shoutout to our "Practice Player of the Day" - Jenny Heilman - who earned the honor through hustle, enthusiasm, and a few highlight plays of her own!

Moms Practice 2025: "A tradition like no other - group photo with moms and sons, followed by hustle, smiles, and great plays from our moms during practice."

We also hosted our Father/Son Bowling Tournament, another event that strengthens family bonds and builds our team culture.

Congratulations to this year's champions, Carter Thiel and his dad, Brian, who took home the title after an impressive performance.

Our Basketball Olympics followed soon after - a fun, competitive day of events including mother/son free throws, father/son bowling, a trivia challenge, and a frisbee-throw contest. The final results came down to a tiebreaker, with Team Luke capturing the Gold Medal.

Olympic Champs: TEAM LUKE
Oliver Stringfellow, Nate King, Cam Burkett, Aaden Brant, Luke Schoenberger, Troy Hoffbauer

COMMUNITY SERVICE

Beyond basketball, our players continue to make an impact in the community. On Thanksgiving Day, eight of our team members volunteered at the Alibi Room's Community Thanks Dinner, helping serve meals to local families. We're extremely proud of their willingness to give back and represent Upper Sandusky Basketball with class and generosity.

Upper Sandusky Basketball Volunteers: Luke Schoenberger, Caleb Arter, Roman Russell, Matt Schoenberger, Ashton Clark, and Jacob Romich helping serve and support the community.

PROGRAM SPOTLIGHT – UPPER SANDUSKY ATHLETIC BOOSTERS

This month, we shine the spotlight on the Upper Sandusky Athletic Boosters - an incredible group that goes above and beyond to support all of our athletic programs. Their generosity has directly benefited our basketball program this year, providing new uniforms, new practice jerseys, and new tear-away warm-up pants.

On behalf of the entire coaching staff and our players, thank you to the Boosters for everything you do. Your continued support allows our athletes to take pride in representing Upper Sandusky both on and off the court.

Coach Winslow's Comment:

"Our program wouldn't be what it is today without the backing of our Athletic Boosters. Their support helps us build a first-class experience for our players and continue the strong Ram Basketball tradition."

SEASON TIP-OFF

Our season is officially underway! The early part of the schedule is always a great opportunity to establish our identity and see how our off-season work translates to game action. We're excited about this group's chemistry, toughness, and effort - and we look forward to the continued support from our fans this winter!

QUOTE OF THE MONTH

"Don't practice until you get it right.
Practice until you can't get it wrong."
- Unknown

THANK YOU

Thank you to our players, parents, and community members for their continued dedication and enthusiasm.

We wish everyone a Merry Christmas and Happy New Year - and we can't wait to see the gym filled with Ram Pride throughout the winter!

Stay connected. Stay committed. Stay Ram Proud.
Until next time - keep going FULL COURT!

WEATHER DELAY/CLOSING PROCEDURES

TWO HOUR DELAY means report to bus stop or pick-up point two hours later than usual. High School classes will begin at 9:50 a.m. Middle school and all elementary schools start at 9:55 a.m.

THREE HOUR DELAY means report to bus stop or pick-up point 3 hours later than usual. High school classes will begin at 10:50 a.m. Middle school and elementary schools will start at 10:55 a.m. School will be extended 1 hour on 3-hour delay days, meaning arrival home times should be 1 hour later on such days.

PLEASE DO NOT CALL THE SCHOOL TO CHECK ON SCHOOL DELAYS. Open phone lines are needed to receive input from bus drivers and law enforcement agencies so that a wise and informed decision can be made. When a decision is made to delay or cancel school, the radio and television stations are the first to be notified.

The following stations will make the announcements:

WTOL TV 11
WTVG TV 13
WNWO TV 24
WYNT (Upper Sandusky) 95.9
WXML (Upper Sandusky) 90.1
WDIF-WMRN (Marion) 94.3
WKXA (Findlay) 100.5
WKTN (Kenton) 95.3

ATHLETIC DELAYS

When school is closed due to weather, evening sports contests are sometimes held if the weather conditions subside during the day. Therefore, decisions about evening events are usually made sometime after 1:00 p.m., and announcements are broadcast over the local television station.
