Options

The options provided are high level estimates that are intended to generate conversation and receive public feedback regarding any potential facility improvements.

Fine-tuned and more detailed estimates for any potential project will be generated if and when any potential project is pursued. At that time a more detailed description, drawings, and price estimates will be made available

Option 3

- Three buildings RES, GES, and HS/MS (20.7 to 24.8 million)
  - Close current RES building and convert the middle school to RES
  - GRHS would move from 9-12 to 7-12 - 3 story replaced with new construction
  - Additional gym and cafeteria space at GRHS
  - GES remains

Option 5

- Option 5 - Four buildings - possibly three (19.2 to 23.1 million)
  - Close old part of RES (original building) retain newer part
  - Add classroom space to GRMS to house some elementary with 6-8
  - GRHS - 9-12 building - 3 story replaced with new construction
  - Additional gym and cafeteria space at GRHS
  - GES remains
  - Could modify to add more classrooms to GRMS to close all of previous RES buildings
