Strong Schools, Strong Community

Each year our HSD3 student athletes take a day to give back to their community by volunteering to clean up our downtown, work on local trails and perform maintenance at local businesses. This is our way of saying THANK YOU to the community for all of the support you give our schools and our students!

Message from the Superintendent

Hamilton School District Community,

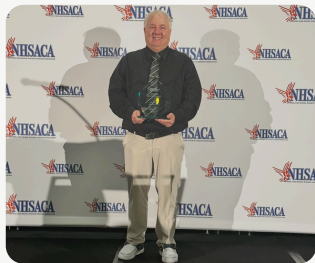

On behalf of the Hamilton School District Board of Trustees and all school staff, WELCOME BACK to school. I hope the summer months provided many opportunities to relax and enjoy family & friends. As we renew our commitment to student achievement, I am excited and optimistic for a great school year. If you have questions, please reach out to your child's school(s).

Hamilton School District staff have been preparing our facilities, learning new strategies, strengthening safety, and establishing new systems to operate and advance our district. The school board has established policy focusing our educational goals on literacy and numeracy, strategic thinking, future readiness, and citizenship. As we strive to meet our educational goals, we intend to operate with commitments to building employee excellence, community engagement, and safety. To support the achievement of these goals and commitments, the Board of Trustees established committees for strategic planning. These committees will work to improve school-community relations, facilities, curriculum and instruction, and governance. I encourage your engagement and welcome your perspective as we start this important work. Please visit our website (www.hsd3.org) for more information.

Coach Burch Wins National Coaching Award for Golf

Congrats to Coach Owen Burch on being the recipient of the National High School Athletic Coaches Association (NHSACA) award for his years of being a dedicated golf coach at Hamilton High School!

"I am very overwhelmed by this recognition. This is truly an honor and represents the Hamilton School District, Hamilton Golf team and Hamilton Golf Club. It isn't only my award but the collaboration of all former players, coaches and school personnel that have supported me over the years."

—Coach Burch

HHS Student Sashi Sokol Awarded US Dept of State Scholarship to Study Abroad in Germany

We are so proud of HHS student Sashi Sokol on being one of only 210 students nationwide who received a scholarship from the US Department of State to study abroad for the upcoming school year! She will be living with a host family in Germany for 10 months. We are excited for her to have this amazing opportunity!

"I really am excited to be just fully immersed in German. And also to learn the history of my area, and also to meet my host family."

—Sashi Sokol
