Harvey County Health Department (316) 283-1637, Health Ministries (316) 283-6103 and local physicians can provide health and developmental screenings for a fee.

What is the screening?
It is a free clinic to identify children who have difficulties which interfere with development. The professional staff provide appropriate resources and recommendations to parents.

Who will be at the screening?

- Nurse
- Social Worker
- Psychologist
- Speech Pathologist
- Early Childhood Special Educator
- Audiologist

For infants (0-3) please contact **infanttoddler@usd373.org** for a free screening.

For children (3-5) please call **(316) 284-6510** to make an appointment for a free developmental check on your child.

Screenings are by appointment only.

Monthly developmental screenings available at Cooper Early Education Center.
