Bugs, Seeds & Sprouts: A Gardening Adventure

Incoming Kdg–6th

Cost: \$50

Come dig in with Mrs. Arntz for a fun, hands-on gardening adventure! In this interactive class, students will discover the basics of gardening through playful, age-appropriate activities that spark curiosity and creativity. Kids will learn how plants grow, what they need to thrive, and why gardens are so important to our environment. Along the way, they'll plant seeds, observe helpful garden insects, and enjoy simple garden-themed crafts and experiments. Best of all, students will take their projects home to care for and watch grow long after class ends!

Camp Quest

Incoming Kdg–6th

Cost: \$50

In Camp Quest, campers will join Ms. Jobe and become heroes on an exciting, imagination-filled adventure! Through games, crafts, obstacle courses, and team challenges, kids discover their own "superpowers" like kindness, bravery, teamwork, and creativity. Each day brings a new quest that encourages movement, confidence, and helping others—all in a playful, age-appropriate way. Camp Quest is high-energy and designed to help every child feel seen, celebrated, and proud of who they are.

Skills and Drills

Incoming 3rd–6th

Cost: \$50

Skills & Drills Basketball Camp is designed for incoming 3rd–6th graders who want to learn the game, improve their fundamentals, and have fun in a positive, high-energy environment. Join Varsity High School Coach Schroeder for an exciting camp experience focused on teaching and reinforcing key basketball skills including ball handling and dribbling control, proper shooting form and technique, footwork and agility, defensive fundamentals, teamwork, and sportsmanship. Each session combines structured drills, skill stations, and competitive small-sided games to help players apply what they learn in real game situations while building confidence, friendships, and a love for the game.

Reel Bites: Movies you can Taste!

Incoming 5th–7th

Cost: \$150

Lights, camera...cook! In Reel Bites, students in 5th–7th grade will explore the connection between food and film by cooking dishes inspired by popular movies and timing their tasting to the movie scenes. Students will work together as chefs, practice basic kitchen skills, follow recipes, and learn about teamwork, timing, and creativity—all while watching and discussing age-appropriate films. This hands-on class blends cooking, collaboration, and movie magic for a fun and memorable summer experience!

Timeless Treasures

Incoming 1st–6th

Cost: \$150

Bring back the cozy, hands-on activities our grandmas loved! "Timeless Treasures" is a joy-filled summer camp for kids who love making, exploring, and slowing down to enjoy the little things. Campers will dig into gardening, create handmade crafts and friendship bracelets, decorate sweet cupcakes, paint colorful masterpieces, and explore other timeless pastimes with simple guidance and safe materials. Each day is filled with laughter, creativity, storytelling, and plenty of encouragement as children build confidence, friendships, and beautiful keepsakes to take home.

Pickleball 101: Serve, Rally, Win!

Incoming 4th–8th

Cost: \$50

Get ready to rally, serve, and smash! In this exciting Pickleball Camp, students in grades 4–8 will be introduced to one of the fastest-growing sports around. Campers will learn the basic rules, skills, and strategies of pickleball through fun drills and guided instruction, then put it all into action with plenty of game play. Whether you're brand new or have played a little before, this camp is a great way to build skills, stay active, and have a blast on the court with friends!

Messy Makers and Brain Freeze

Incoming Kdg–6th

Cost: \$50

Messy Makers is a hands-on creative camp for K–6 campers who love to explore, build, and get a little messy! Each day, kids dive into art, building, and sensory activities—painting, creating, experimenting, and discovering how things work through play. Campers are encouraged to try new ideas, use their imagination, and work together, all in a supportive, joy-filled environment. Wear play clothes and get ready for big creativity and even bigger smiles!

3D Creation: Design, Print, & Code Camp

Incoming 3rd–6th

Cost: \$150

Alright, tech explorers, get ready! This camp is all about diving into the exciting world of coding and design. You'll use Micro:bits to make cool projects, command Sphero robots through awesome challenges, and design our very own 3D creations to print! It's a hands-on adventure where you'll learn to think creatively, solve problems, and discover how fun it is to bring your ideas to life with technology.

Girls on the Rise: Athlete Leadership Camp

Incoming 2nd–5th

Cost: \$150

Do you have a 2nd–5th grade female athlete at home who's ready to shine? This high-energy camp is designed to empower girls to grow stronger not just in their sport, but in who they are as individuals. Through exciting drills, team challenges, confidence-building activities, and encouraging mentorship, campers will develop a positive self-image, strong teamwork skills, and outstanding sportsmanship. Along the way, they'll discover how to lead with courage and kindness—on and off the field—while lifting up teammates and becoming role models in their communities.

Incoming Kdg–6th

Cost: \$50

Directive Draw is a creative adventure where imagination meets step-by-step fun! In this upbeat, guided drawing class, campers will follow easy, kid-friendly instructions to bring their artwork to life—no drawing experience required. Each session helps build confidence as kids sharpen their listening and observation skills, experiment with new techniques, and add their own unique creative twists. With a relaxed, supportive vibe, campers will strengthen focus, creativity, and fine motor skills while discovering that every drawing is something to be proud of—and no two masterpieces are ever the same!

Spirit Squad

Incoming Kdg–6th

Cost: \$50

Get ready to jump, cheer, and have a blast! This high-energy spirit camp is designed for students in kindergarten through fifth grade. Campers will learn basic cheerleading motions, jumps, beginner stunts, light tumbling, and simple routines in a safe and supportive environment. Each day is packed with movement, teamwork, and confidence-building activities, led by a cheerleader herself. No experience needed—just bring your energy and a big smile!

Pond to Pines Adventure Camp

Incoming Kdg–6th

Cost: \$150

Take a walk on the wild side! Let's get to know some of Michigan's marvelous plants and animals and take a deep dive into learning fascinating facts about some of your favorite species too! Come meet Bowser, our wildlife ambassador turtle from World of Wonder, as well as some other animal friends up close! We will also get outside and explore the campus to see what we can observe! What are the names of the native plants we see and what insects use them as a host plant? What kind of frogs and other critters live in our pond? What does invasive mean and how do invasive species affect our natural world? How can you help?

Catch, Play, Create! Pokémon Camp

Incoming Kdg–6th

Cost: \$150

Gotta catch 'em all—and learn how to use them! At Pokémon TCG Camp, elementary students will go beyond collecting and dive into the exciting world of actually playing the game. Campers will learn card values, game strategy, and how to build powerful decks before battling in friendly matches and mini tournaments. As a special challenge, the group will even design and create their very own trading card game together—complete with rules, characters, and epic powers. It's the perfect mix of strategy, creativity, teamwork, and Pokémon fun!
