As per New Jersey Administrative Code 6A:16-8.1 and Board of Education Regulation #2460.1, the following information is provided:

INTERVENTION AND REFERRAL SERVICES

Each school in the district has an Intervention and Referral Service Committee (I&RS). The I&RS Committee provides referral and intervention services to general education pupils who are experiencing difficulties in their classes. Students may receive assistance with academic, social or health problems affecting them academically, including referral to or participation in school and/or community programs.

Students can be referred to the I&RS Committee by parents, school personnel, personal request or by appropriate community agencies. For more information, please contact the school the student attends.
