# ANNETTE ISLAND SCHOOL DISTRICT

Dear AISD Parents & Guardians,

Earlier this year, we shared that our district is transitioning from Remind to ParentSquare, the company who took over Remind! To begin, our schools will use ParentSquare in the following ways:

With ParentSquare, you can:

- Receive updates via email, text, and the free mobile app
- View calendar events and announcements
- Send and receive messages from teachers, coaches, and club advisors
- and more!
