Users will submit their rental request on the Facility Rental page on the AISD website. Once the group and event day/time is approved, payment can be made online or at the District Office.

What is the purpose of these fees?

Student Activity Fees helps support the high cost of extra-curricular activities outside the classroom, including, but not limited to: athletics, activities, academic-based clubs, assemblies, takeover days, etc.

Facility Rental fees will help offset the cost of custodians, heat, electricity, and other factors for community-run events hosted in our schools.

T'oyaxsut 'nüüsm for your continued support of Annette Island School District!
